Subject: RUSH SB 335 amendment drafting request

Hi Gordon,

I have attached language below that we would like to have drafted into a Senate amendment to SB 335. The language below modifies the tuition reimbursement model of SB 335 to a certificate award program. I'm not sure how quickly you can turn this around, but there are hearings in both the Assembly and Senate on this bill tomorrow beginning at 10:00. If it would be possible to have the amendment by then to distribute to committee members, we would appreciate it.

Please let Brooke or I know if you have any questions.

Thanks,

Matt Wuebke

(2) The department shall provide a completion award equal to 25 percent of the cost of tuition incurred by the person or sponsor or in the amount of \$1000, whichever is less, to an apprentice who has successfully completed an apprenticeship program and who is employed in the trade, craft or business in which the person was trained under the apprenticeship program. If tuition costs have been incurred by the person's sponsor, an appropriate portion of the award shall be provided to the sponsor.

Alternative Fiscal Estimate Options

Fiscal estimates initiated by the bill's primary author (sponsor):

1. **Before** a state agency's *ORIGINAL* fiscal estimate on the bill is "released" (during the author's five-day review period) ... the primary author of an introduced bill may contact the agency that prepared the *ORIGINAL* fiscal estimate, explain his or her concerns, and request a rewrite. If the agency decides not to rewrite the fiscal estimate, it will be "released" (without changes) by the Legislative Reference Bureau (LRB) at the end of the five day review period. If the agency agrees to rewrite the estimate and the primary author wishes to delay publication, the agency must immediately notify the LRB (ph. 266-3561). The fiscal estimate will then be returned to the agency for a rewrite. Only the agency's rewritten *ORIGINAL* fiscal estimate will be "released" (published and inserted into the bill jacket envelope). However, both the rewritten and the initial *ORIGINAL* fiscal estimates will be available for public inspection in the LRB drafting file. See Joint Rule 48 (4).
2. **Before** a state agency's *ORIGINAL* fiscal estimate on the bill is "released" (during the author's five-day review period) ... the primary author of an introduced bill may contact the LRB (ph. 266-3561) and request that the agency prepare an additional *ORIGINAL* fiscal estimate that takes into account any changes resulting from a proposed simple or substitute amendment (un-introduced or introduced). See Joint Rule 48 (2).
3. The primary author of an introduced bill may at any time request that the Legislative Fiscal Bureau (LFB) or the Department of Administration (DOA) prepare a *SUPPLEMENTAL* fiscal estimate on a bill's impact on a state agency if he or she disagrees with the fiscal estimate prepared by the agency. Please contact the LRB (ph. 266-3561) if you wish to initiate this option. See Joint Rule 48 (3).
4. **After** the *ORIGINAL* fiscal estimate on the bill has been "released" ... the primary author of an introduced bill may contact the presiding officer (of either house) and request a *SUPPLEMENTAL* fiscal estimate that takes into account any changes resulting from a proposed simple or substitute amendment. If the presiding officer agrees that a *SUPPLEMENTAL* fiscal estimate would be substantially different from the *ORIGINAL* fiscal estimate submitted by the state agency, they may formally submit a request (in writing – via e-mail to the LRB) to have the agency prepare a *SUPPLEMENTAL* fiscal estimate. See Joint Rule 41 (3) (b).
5. The state agency may at any time, at its discretion, submit an *UPDATED* fiscal estimate supplementing its *ORIGINAL* estimate if it has available better or more current information on the original bill. If the primary author of the bill feels the *ORIGINAL* fiscal estimate is inaccurate, and can provide more complete information to the agency, this may be a good option to initiate. See Joint Rule 41 (3) (e).
