

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-0978/P1dn
RPN:.....

Julio Barron

In the draft request, the new deputy was termed “deputy adjutant general for support for civil authorities” in s. 321.10 (1) (d) and “deputy adjutant general for civil support” in s. 321.10 (2). I was not sure which term to use so I changed it to “deputy adjutant general for civil authority support” in both places. Is that OK?
