1 the dissolution of the plan and the authority as provided in 2013 Wisconsin Act 20,
2 section 9122 (1L), is modified as follows:

3 1. ‘Coverage provisions.’ Notwithstanding 2013 Wisconsin Act 20, section 9122
4 (1L) (b) 1. b., all of the following apply:

5 a. A covered person whose coverage under the plan was in effect on December
6 1, 2013, who paid his or her December premium, and who, if eligible for Medicare,
7 had not enrolled in Medicare Advantage during the federal open enrollment period
8 in 2013 may elect to obtain a policy under the plan by making a timely payment of
9 the January 2014 premium. The covered person must maintain the same policy
10 benefits, including the same deductible amount, that were in effect on December 1,
11 2013. A new deductible period will commence on January 1, 2014. The premium for
12 January 2014 must be paid no later than February 1, 2014. Thereafter, the covered
13 person must pay premiums in accordance with the terms of the contract for coverage,
14 which may not extend beyond 11:59 p.m. on March 31, 2014. Any medical claims that
15 the covered person incurs after December 31, 2013, and before the plan receives the
16 premium payment for January 2014 shall be held in abeyance and the plan shall not
17 be responsible for payment until the premium payment is received.

18 b. If a covered person’s coverage under the plan is funded under a contract with
19 the federal department of health and human services, the covered person’s coverage
20 will end as provided in 2013 Wisconsin Act 20, section 9122 (1L) (b) 1. b., unless the
21 federal department of health and human services issues a contract amendment that
22 extends the contract and coverage to a date later than December 31, 2013, and the
23 terms of the contract amendment are such that the federal government will be
24 financially liable for all costs related to the operation of the contract that exceed
25 member premium collections.

1 c. If the requirements under subdivision 1. b. are satisfied, a covered person
2 whose coverage is funded under a contract with the federal department of health and
3 human services, whose coverage under the plan was in effect on December 1, 2013,
4 who paid his or her December premium, and who had not enrolled in Medicare
5 Advantage during the federal open enrollment period in 2013 may elect to obtain a
6 policy under the plan by making a timely payment of the January 2014 premium.
7 The covered person must maintain the same policy benefits, including the same
8 deductible amount, that were in effect on December 1, 2013. A new deductible period
9 will commence on January 1, 2014. The premium for January 2014 must be paid no
10 later than February 1, 2014. Thereafter, the covered person must pay premiums in
11 accordance with the terms of the contract for coverage, which may not extend beyond
12 11:59 p.m. on March 31, 2014. Any medical claims that the covered person incurs
13 after December 31, 2013, and before the plan receives the premium payment for
14 January 2014 shall be held in abeyance and the plan shall not be responsible for
15 payment until the premium payment is received.

16 d. No later than February 1, 2014, the authority shall provide notice that
17 coverage shall terminate on March 31, 2014, to all covered persons, all insurers and
18 providers that are affected by the termination of the coverage, the office, the
19 legislative audit bureau, and the insurers described in paragraph (c) 1.

20 2. ‘Provider claims.’ Providers of medical services and devices and prescription
21 drugs to covered persons whose coverage is extended as provided in this paragraph
22 must file claims for payment no later than June 1, 2014. Any claim filed after that
23 date is not payable and may not be charged to the covered person who received the
24 service, device, or drug. Except for copayments, coinsurance, or deductibles required
25 under the plan, consistent with sections 149.14 (3) and 149.142 (2m) of the statutes,

1 a provider may not bill a covered person who receives a covered service or article and
2 shall accept as payment in full the payment rate determined under section 149.142
3 (1) of the statutes.

4 3. 'Grievances and review.'

5 a. Any grievance by a covered person whose coverage is extended as provided
6 in this paragraph must be in writing and received no later than July 1, 2014, or be
7 barred.

8 b. A covered person whose coverage is extended as provided in this paragraph
9 who submits a grievance after March 31, 2014, must request an independent review,
10 if any, with respect to the grievance no later than August 1, 2014, or be barred from
11 requesting an independent review with respect to the grievance.

12 4. 'Payment of plan costs.'

13 a. To the extent possible, the authority shall pay plan costs incurred in 2013
14 and 2014 and all other costs associated with operating and dissolving the plan that
15 are incurred before administrative responsibility for the dissolution of the plan is
16 transferred to the office on February 28, 2014.

17 b. All provider claims shall be adjudicated by September 30, 2014.

18 c. The authority, before March 1, 2014, and the office, on and after March 1,
19 2014, but no later than July 1, 2014, shall determine whether an assessment of
20 insurers under section 149.13 of the statutes is necessary to cover in full the plan's
21 expenses related to operations, winding up operations, and dissolution of the plan.
22 Any such assessment shall be based on the 2013 filed plan assessment form.

23 d. No later than 30 days before distribution of any surplus remaining after the
24 dissolution of the plan, or within 30 days after completion of the dissolution of the
25 plan if there is no surplus to distribute, the office shall submit a final report to the

1 joint committee on finance on the operation and dissolution of the plan, including the
2 proposed distribution of any remaining surplus.

3 5. ‘Dissolution notice, claims, and updates.’

4 a. On behalf of the commissioner, the authority shall provide notice of the plan’s
5 dissolution to all persons known, or reasonably expected from the plan’s records, to
6 have claims against the plan, including all covered persons. Notwithstanding 2013
7 Wisconsin Act 20, section 9122 (1L) (b) 10. a., the notice shall be sent by 1st class mail
8 to the last-known addresses no later than February 1, 2014. Notice to potential
9 claimants of the plan shall require the claimants to file their claims, together with
10 proofs of claims, by June 1, 2014. The notice shall be consistent with any relevant
11 terms of the policies under the plan and contracts and with section 645.47 (1) (a) of
12 the statutes. The notice shall serve as final notice consistent with section 645.47 (3)
13 of the statutes.

14 b. Proofs of all claims must be filed with the office in the form provided by the
15 office consistent with the proof of claim, as applicable, under section 645.62 of the
16 statutes, on or before the last day for filing specified in the notice. For good cause
17 shown, the office shall permit a claimant to make a late filing if the existence of the
18 claim was not known to the claimant and the claimant files the claim within 30 days
19 after learning of the claim, but not later than September 1, 2014. Any such late claim
20 that would have been payable under the policy under the plan if it had been filed
21 timely and that was not covered by a succeeding insurer shall be permitted unless
22 the claimant had actual notice of the termination of the plan or the notice was mailed
23 to the claimant by 1st class mail at least 10 days before the insured event occurred.

24 (c) *Medicare supplement and replacement policy issuance.*

1 1. In addition to the requirement under 2013 Wisconsin Act 20, section 9122
2 (1m), an insurer offering a Medicare supplement policy or a Medicare replacement
3 policy in this state shall provide coverage under the policy to any individual who
4 satisfies all of the following:

5 a. The individual is eligible for Medicare.

6 b. The individual had coverage under the plan.

7 c. The individual's coverage under the plan terminated on March 31, 2014.

8 d. The individual applies for coverage under the policy before 63 days after the
9 date specified in subdivision 1. c.

10 e. The individual pays the premium for the coverage under the policy.

11 2. An insurer under subdivision 1. may not deny coverage to any individual who
12 satisfies the criteria under subdivision 1. a. to e. on the basis of health status, receipt
13 of health care, claims experience, or medical condition including disability.

14 3. In addition to any other notice requirements to insurers, no later than
15 February 1, 2014, the authority shall provide notice to the insurers described in
16 subdivision 1. of the requirements under this paragraph.

17 (2m) MEDICAL ASSISTANCE ELIGIBILITY; TEMPORARY EXTENSION. Beginning on
18 January 1, 2014, the department of health services shall do all of the following until
19 April 1, 2014:

20 (a) Allow individuals whose family income does not exceed 200 percent of the
21 federal poverty line, who were receiving benefits under section 49.471 (4) (a) 4. or (b)
22 4. of the statutes on December 31, 2013, and who would otherwise be eligible for
23 benefits under section 49.471 (4) (a) 4. of the statutes except for the income limit to
24 be eligible to receive benefits under section 49.471 (4) (a) 4. of the statutes.
