2013 ASSEMBLY BILL 496

November 8, 2013 – Introduced by Representatives KAUFERT and THIESFELDT, cosponsored by Senator LASEE. Referred to Committee on Energy and Utilities.

1 **AN ACT to amend** 196.137 (2) (intro.); and **to create** 196.137 (2) (ap), 196.137 (4)
2 and 227.01 (13) (zv) of the statutes; **relating to:** releases of customer
3 information by municipal utilities.

Analysis by the Legislative Reference Bureau

Under current law, a municipal utility is generally prohibited from releasing “customer information,” which is defined as any information received from customers that serves to identify customers individually by usage or account status. The prohibition, however, has several exceptions, including the following: 1) a release made with the consent of a customer; 2) a release to a title agent, insurer, lender, mortgage broker, or attorney that is made in connection with the preparation of real estate closing documents; and 3) a release to a lender or prospective purchaser that is made in connection with real property foreclosures.

This bill requires the Public Service Commission (PSC) to specify a form for a municipal utility to obtain a customer’s consent to a release under the first exception described above. The bill allows the PSC to specify the form without promulgating rules. The bill also creates an exception allowing a municipal utility to release customer information in connection with real estate transactions and real property appraisals. Under the bill’s new exception, a municipal utility may release customer information under such circumstances to licensed real estate brokers and salespersons, as well as to certified or licensed appraisers.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
