TO 2013 ASSEMBLY BILL 2**

March 4, 2014 – Offered by Senators C. LARSON, LASSA, HANSEN, CARPENTER,
VINEHOUT, HARRIS, LEHMAN, SHILLING, MILLER and T. CULLEN.

1 **AN ACT** *to amend* 20.445 (1) (b), 106.27 (2g) (a) 1., 106.27 (2g) (a) 2., 106.27 (2g)
2 (a) 3. and 106.27 (3); and *to create* 106.27 (1g) of the statutes; **relating to:**
3 workforce training grants for collaborative projects among school districts,
4 technical colleges, and businesses, workforce training grants and services to
5 enhance employment opportunities for persons with disabilities, and making
6 appropriations.

Analysis by the Legislative Reference Bureau

Current law appropriates general purpose revenues (GPR) to the Technical College System (TCS) Board for state aid for technical colleges. In addition, current law requires the Department of Workforce Development (DWD) to award grants to public and private organizations for the development and implementation of workforce training programs for the training of both new and incumbent employees of businesses in this state.

This substitute amendment decreases the GPR supplemental appropriation to the Joint Committee on Finance by \$35,400,000 in the 2013–15 state fiscal biennium, increases the state aid for technical colleges appropriation to the TCS Board by \$31,900,000 in that biennium, and increases the workforce training

program grants appropriation to DWD by \$3,500,000 in that biennium for all of the following purposes:

1. State aid to technical colleges for the reduction of waiting lists for enrollment in programs and courses in high-demand fields, as determined by the TCS Board.

2. Grants for collaborative projects among school districts, technical colleges, and businesses to provide high school pupils with industry-recognized certifications in high-demand fields, as determined by DWD.

3. Grants to public and private organizations or services provided by DWD to enhance employment opportunities for persons with disabilities.

The substitute amendment requires the TCS Board and DWD, in submitting information to the Department of Administration for purposes of the 2015–17 biennial budget act, to submit information for the state aid for technical colleges appropriation and for the workforce training program grants appropriation as though the increases in the dollar amounts in those appropriations under the substitute amendment had not been made. As a result, the amounts of those increases are not included in the base amounts for the 2015–17 biennial budget.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
