1 AN ACT relating to: affecting various provisions of the statutes to make
2 corrections and reconcile conflicts (Corrections Bill).

Analysis by the Legislative Reference Bureau

This correction bill was prepared by the Legislative Reference Bureau under s. 13.92 (1) (bm) 1. and 2. and (2) (i) and (L), stats. Specific changes are explained in the NOTES in the body of the bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 SECTION 1. 5.05 (10) of the statutes is amended to read:
4 5.05 (10) STATE ELECTION ADMINISTRATION PLAN. With the assistance of the
5 election administration council and approval of the joint committee on finance as
6 provided in this subsection, the board shall adopt and modify as necessary a state
7 plan that meets the requirements of P.L. 107-252 to enable participation by this
8 state in federal financial assistance programs authorized under that law. The board
9 shall adopt the plan and any modifications only after publishing a class I 1 notice

1 under ch. 985 or posting on the Internet a statement describing the proposed plan
2 or modification and receiving public comment thereon. After approval of the
3 proposed plan or any modification of the plan by the board, the board shall submit
4 the proposed plan or modification to the joint committee on finance for the approval
5 of the committee. The board may adopt the proposed plan or modification only if the
6 committee approves the proposed plan or modification.

NOTE: Conforms text to ch. 985.

7 **SECTION 2.** 6.45 (1) of the statutes is amended to read:

8 6.45 (1) After the deadline for revision of the registration list, the municipal
9 clerk shall make copies of the list for election use. ~~The registration list and any~~
10 ~~supplemental lists which are prepared at polling places or other registration~~
11 ~~locations under s. 6.55, shall be open to public inspection. Under the regulations~~
12 ~~prescribed by the municipal clerk, any person may copy the registration list at the~~
13 ~~office of the clerk. A registration list maintained at a polling place may be examined~~
14 ~~by any person who is observing the proceedings under s. 7.41 when such use does not~~
15 ~~interfere with the conduct of the election.~~

NOTE: 1999 Wis. Act 49 divided the then existing sub. (1) into subs. (1) and (1m),
leaving only the first sentence above in sub. (1). As the result of an error in transcribing
1999 Wis. Act 49, the stricken text incorrectly repeats the language of sub. (1m) and is
removed.

16 **SECTION 3.** 11.06 (1) (jm) of the statutes, as affected by 2011 Wisconsin Act 32,
17 is amended to read:

18 11.06 (1) (jm) A copy of any separate schedule prepared or received pursuant
19 to an escrow agreement under s. 11.16 (5). A candidate or personal campaign
20 committee receiving contributions under such an agreement and attaching a
21 separate schedule under this paragraph may indicate the percentage of the total
22 contributions received, and disbursements made without itemization, except that

1 amounts received from any contributor pursuant to the agreement who makes any
2 separate contribution to the candidate or personal campaign committee during the
3 calendar year of receipt as indicated in the schedule shall be aggregated and itemized
4 if required under par. (a) or (b).

NOTE: Removes comma and adds “and” for correct grammar.

5 **SECTION 4.** 13.94 (4) (a) 1. of the statutes, as affected by 2011 Wisconsin Act 10,
6 is amended to read:

8 credentialing board, commission, independent agency, council or office in the
9 executive branch of state government; all bodies created by the legislature in the
10 legislative or judicial branch of state government; any public body corporate and

17 assistance under subch. IV of ch. 49; technical college district boards; every county
18 department under s. 51.42 or 51.437; every nonprofit corporation or cooperative or
19 unincorporated cooperative association to which moneys are specifically
20 appropriated by state law; and every corporation, institution, association or other
21 organization which receives more than 50% of its annual budget from appropriations
22 made by state law, including subgrantee or subcontractor recipients of such funds.

NOTE: Deletes unnecessary word.

7 for 2-year terms and may be appointed for a maximum of 2 consecutive terms. The
8 chairperson of the council shall be the secretary of corrections or the reentry director,
9 as decided by the secretary of corrections. The chairperson may appoint
10 subcommittees and the council shall meet no less frequently than 4 times per year
11 at a date and location to be determined by the chairperson. Members of the council
12 shall include the secretary of corrections, or his or her designee; the secretary of

changing the number of members.

22 **SECTION 6.** 16.301 (intro.) of the statutes, as affected by 2011 Wisconsin Act 32,
23 section 3450m, is amended to read:

1 **16.301 Definitions.** (intro.) In ~~this subchapter~~ ss. 16.301 to 16.315:

NOTE: Corrects cross-reference. Sections 16.301 to 16.315 were renumbered from ss. 560.9801 to 560.9815, which made up an entire subchapter. Sections 16.301 to 16.315 were renumbered to be a part of subchapter I of Chapter 16 and the definitions in s. 16.301 do not apply to the entire subchapter.

2 **SECTION 7.** 16.50 (3) (b) of the statutes, as affected by 2011 Wisconsin Acts 10
3 and 32, is amended to read:

4 16.50 (3) (b) No change in the number of full-time equivalent positions
5 authorized through the biennial budget process or other legislative act may be made
6 without the approval of the joint committee on finance, except for position changes

10 **SECTION 8.** The treatment of 16.505 (1) (intro.) of the statutes by 2011
11 Wisconsin Act 10 is not repealed by 2011 Wisconsin Act 32. Both treatments stand.

NOTE: There is no conflict of substance. As merged by the legislative reference bureau, s. 16.505 (1) (intro.) reads:

(1) Except as provided in subs. (2), (2g), (2j), (2m), and (2p), no position, as defined in s. 230.03 (11), regardless of funding source or type, may be created or abolished unless authorized by one of the following:

12 **SECTION 9.** 16.70 (11m) of the statutes is repealed.

NOTE: Section 16.70 (11m) defines “recyclable material” in s. 16.70, but the term does not appear in s. 16.70.

13 **SECTION 10.** 16.75 (8) (a) 1. and 2. of the statutes are renumbered 16.75 (8) (am)
14 and (bm).

NOTE: Section 16.75 (8) does not have multiple paragraphs as currently numbered.

15 **SECTION 11.** 16.75 (10e) (b) of the statutes, as affected by 2011 Wisconsin Act
16 32, is amended to read:

1 16.75 (10e) (b) If s. 16.855 (10s) (a) provides an applicable standard for the type
2 of agency energy consuming equipment being purchased and the purchase will cost
3 more than \$5,000 per unit the department, any other designated purchasing agent
4 under s. 16.71 (1), any agency making purchases under s. 16.74, and any authority
5 may not purchase that type of energy consuming equipment unless the specifications
6 for the equipment meet the applicable standards. If there is an applicable standard
7 under s. 16.855 (10s) (a), but the energy consuming equipment meeting that
8 standard is not reasonably available, the department, purchasing agent, agency, or
9 authority shall ensure, for purchases over \$5,000 per unit, that the energy
10 consuming equipment that is purchased maximizes energy efficiency to the extent
11 technically and economically feasible. The department, purchasing agent, agency,
12 or authority shall not determine that energy consuming equipment that meets the
13 applicable standard under s. 16.855 (10s) (a) either is not reasonably available on the
14 basis of cost alone or is not cost-effective unless the difference in the cost of the
15 purchase and installation of the equipment that meets the standard and the
16 equipment that would otherwise be installed is greater than the difference in the cost
17 of operating the equipment that meets the standard and the equipment that would
18 otherwise be installed over the anticipated life of the equipment.

NOTE: Inserts correct word as indicated by drafting records for 2011 Wis. Act 32.

19 **SECTION 12.** 16.85 (1) of the statutes, as affected by 2011 Wisconsin Act 32,

24 including nonprofit-sharing corporations organized for the purpose of assisting the

1 state in the construction and acquisition of new buildings or improvements and
2 additions to existing buildings as contemplated under ss. 13.488, 36.09, and 36.11,
3 except work to be performed for the University of Wisconsin System with respect to
4 a building, structure, or facility involving a cost of less than \$500,000 that is funded
5 entirely with the proceeds of gifts or grants made to the system, and except the
6 engineering, architectural, and construction work of the department of
7 transportation; and the engineering service performed by the department of safety
8 and professional services, department of revenue, public service commission,
9 department of health services, and other departments, boards, and commissions
10 when the service is not related to the maintenance, and construction and planning,
11 of the physical properties of the state.

NOTE: Text inserted by 2011 Wis. Act 32, section 266, was removed by Act 32,
section 267, without being shown as stricken. Drafting records show that no change was
intended. Also makes a cross-reference more specific. "Construction work" is defined in
s. 16.87 (1) (a).

12 **SECTION 13.** 16.854 (2) (intro.) of the statutes is amended to read:

13 16.854 (2) (intro.) Subject to the requirements of s. 16.82 (7), the department
14 may, upon request of any local professional baseball park district, if the district has
15 entered into a lease agreement with the department under s. 16.82 (7), take charge
16 of and supervise engineering or architectural services or construction work, as
17 defined in s. 16.87 (1) (a), performed by, or for, the district for compensation to be
18 agreed upon between the department and the district. In connection with such
19 services or work, the department may furnish engineering, architectural, project
20 management and other building construction services whenever requisitions
21 therefor are presented to the department by the district. If the district has entered
22 into a lease agreement with the department under s. 16.82 (7), the department may
23 also assist the district, upon request of the district, in letting contracts for

1 engineering, architectural or construction work authorized by law and in
2 supervising the work done thereunder. The department may award any such
3 contract for any combination or division of work it designates and may consider any
4 factors in awarding a contract including price, time for completion of work and the
5 qualifications and past performance of a contractor. In awarding contracts under
6 this section for the construction of baseball park facilities, as defined in s. 229.65 (1),
7 the department shall ensure that any person who is awarded a contract agrees, as
8 a condition to receiving the contract, that his or her goal shall be to ensure that at
9 least 25% of the employees hired because of the contract will be minority group
10 members and at least 5% of the employees hired because of the contract will be
11 women. It shall also be a goal of the department to ensure that at least 25% of the
12 aggregate dollar value of contracts awarded for the construction of such facilities in
13 the following areas are awarded to minority businesses and at least 5% of the
14 aggregate dollar value of contracts awarded for the construction of such facilities in
15 the following areas are awarded to women's businesses:

NOTE: Makes cross-reference more specific. "Construction work" is defined in s.
16.87 (1) (a).

1 collected under s. 16.287 (2) (dm) for the costs of certifying minority businesses under
2 s. 16.287.

NOTE: Corrects cross-reference. 2011 Wis. Act 32 renumbered s. 560.035 to s.
16.285, but the cross-reference in this provision was changed from s. 560.035 (1) to s.
6.285. There is no s. 6.285.

NOTE: There is no s. 20.867 (3) (bk).

18 **SECTION 16.** The treatment of 20.923 (8) of the statutes by 2011 Wisconsin Act
19 10 is not repealed by 2011 Wisconsin Act 32. Both treatments stand.

NOTE: There is no conflict of substance. As merged by the legislative reference

9 **SECTION 19.** The treatment of 36.09 (1) (j) of the statutes by 2011 Wisconsin Act
10 10 is not repealed by 2011 Wisconsin Act 32. Both treatments stand.

NOTE: There is no conflict of substance. As merged by the legislative reference bureau, effective 7-1-13, s. 36.09 (1) (j) reads:

(j) Except where such matters are a subject of bargaining with a certified representative of a collective bargaining unit under s. 111.91, the board shall establish salaries for persons prior to July 1 of each year for the next fiscal year, and shall designate the effective dates for payment of the new salaries. In the first year of the biennium, payments of the salaries established for the preceding year shall be continued until the biennial budget bill is enacted. If the budget is enacted after July 1, payments shall be made following enactment of the budget to satisfy the obligations incurred on the effective dates, as designated by the board, for the new salaries, subject only to the appropriation of funds by the legislature and s. 20.928 (3). This paragraph does not limit the authority of the board to establish salaries for new appointments. The board may not increase the salaries of employees under this paragraph unless the salary increase conforms to the proposal as approved under s. 230.12 (3) (e) or the board authorizes the salary increase to correct salary inequities under par. The granting of salary increases to recognize competitive factors does not obligate inclusion of the annualized amount of the increases in the appropriations under s. 20.285 (1) for subsequent fiscal bienniums. No later than October 1 of each year, the board shall report to the joint committee on finance and the secretary of administration and director of the office of state employment relations concerning the amounts of any salary increases granted to recognize competitive factors, and the institutions at which they are granted, for the 12-month period ending on the preceding June 30.

Any supplemental compensation that is paid to a state employee who is classified under the state classified civil service as a teacher, teacher supervisor, or education director for the employee's completion of educational courses that have been approved by the employee's employer is considered as part of the employee's basic pay for purposes of this paragraph. The full premium for any eligible employee who is insured at the time of retirement, or for the surviving insured dependents of an eligible employee who is deceased, shall be deducted from the credits until the credits are exhausted and paid from the account under s. 40.04 (10), and then deducted from annuity payments, if the annuity is sufficient. The department shall provide for the direct payment of premiums by the insured to the insurer if the premium to be withheld exceeds the annuity payment. Upon conversion of an employee's unused sick leave to credits under this paragraph or par. (bf), the employee or, if the employee is deceased, the employee's surviving insured dependents may initiate deductions from those credits or may elect to delay initiation of deductions from those credits, but only if the employee or surviving insured dependents are covered by a comparable health insurance plan or policy during the period beginning on the date of the conversion and ending on the date on which the employee or surviving insured dependents later elect to initiate deductions from those credits. If an employee or an employee's surviving insured dependents elect to delay initiation of deductions from those credits, an employee or the employee's surviving insured dependents may only later elect to initiate deductions from those credits during the annual enrollment period under par. A health insurance plan or policy is considered comparable if it provides hospital and medical benefits that are substantially equivalent to the standard health insurance plan established under s. 40.52 (1).

20 Act 32, is amended to read:

1 111.70 (4) (cg) 6. am. Upon receipt of a petition under subd. 6. a. to initiate
2 arbitration, the commission shall determine, with or without a formal hearing,
3 whether arbitration should be commenced. If in determining whether an impasse
4 exists the commission finds that the procedures under this paragraph have not been
5 complied with and compliance would tend to result in a settlement, it may order
6 compliance before ordering arbitration. The validity of any arbitration award or
7 collective bargaining agreement is not affected by failure to comply with the
8 procedures. Prior to the close of the investigation each party shall submit in writing
9 to the commission its single final offer containing its final proposals on all issues in
10 dispute that are subject to interest arbitration under this subdivision. If a party fails
11 to submit a single, ultimate final offer, the commission shall use the last written
12 position of the party. Such final offers may include only mandatory subjects of
13 bargaining, except that a permissive subject of bargaining may be included by a
14 party if the other party does not object and is then treated as a mandatory subject.
15 At that time, the parties shall submit to the commission a stipulation, in writing,
16 with respect to all matters that they agree to include in the new or amended collective
17 bargaining agreement. The commission, after determining that arbitration should
18 be commenced, shall issue an order requiring arbitration and immediately submit
19 to the parties a list of 7 arbitrators. The parties shall alternately strike names from
20 the list until one name is left and that person shall be appointed arbitrator. The
21 petitioning party shall notify the commission in writing of the identity of the
22 arbitrator. The commission shall then formally appoint the arbitrator and submit
23 to him or her the final offers of the parties. The final offers are public documents and
24 the commission shall make them available. In lieu of a single arbitrator and upon
25 request of both parties, the commission shall appoint a tripartite arbitration panel

1 consisting of one member selected by each of the parties and a neutral person
2 designated by the commission who shall serve as a chairperson. An arbitration panel
3 has the same powers and duties provided in this section as any other appointed
4 arbitrator, and all arbitration decisions by a panel shall be determined by majority
5 vote. In lieu of selection of the arbitrator by the parties and upon request of both
6 parties, the commission shall establish a procedure for randomly selecting names of
7 arbitrators. Under the procedure, the commission shall submit a list of 7 arbitrators
8 to the parties. Each party shall strike one name from the list. From the remaining
9 5 names, the commission shall randomly appoint an arbitrator. Unless both parties
10 to an arbitration proceeding otherwise agree in writing, every individual whose
11 name is submitted by the commission for appointment as an arbitrator must be a
12 resident of this state at the time of submission and every individual who is
13 designated as an arbitration panel chairperson must be a resident of this state at the
14 time of designation.
