From: Secretary Reggie Bicha *RBicha*
Department of Children and Families
Subject: Department of Children and Families Law Revision Proposals

The Department of Children and Families is seeking a number of technical amendments through the law revision process. Below are the proposals listed by program area and unless otherwise stated the proposal has not been introduced in previous sessions and have no fiscal effect.

Child Support:

Technical amendments to Chapter 767 intended to address minor corrections needed following the recodification of that Chapter in 2005 Wisconsin Act 443.

Requests 1 through 5 were included as a part of 2007 SB 362. However, that legislation was not acted upon prior to the end of the legislative session. None of the following proposals will have a fiscal effect. → 2449

4. Paternity/GAL for Deceased Respondents

Specific Statutory Change

Amend Wis. Stat. s§ 767.865(1) to provide that the summons and petition must be served on the personal representative of or the guardian ad litem of the deceased respondent.

Administrative or Substantive Problem with Current Law and Need for the Change

2005 Wis. Act 443 created s.767.865 under which a guardian ad litem is authorized to appear on behalf of a deceased respondent in a paternity action if there is no personal representative. However, the language provides that the summons and petition must be served on both the guardian ad litem and the personal representative.

5. Paternity Summons/Notice to Parties

Specific Statutory Change

Amend Wis. Stat. § 767.813(5)(a)4 to change the period of imprisonment to 3 years and 6 months.

LX

1 AN ACT relating to: on whom the summons and petition must be served in a
2 paternity action when the respondent is deceased (suggested as remedial
3 legislation by the Department of Children and Families).

Analysis by the Legislative Reference Bureau

Under current law, a personal representative for a deceased respondent in a paternity action may appear for the respondent whenever an appearance is required. If the deceased respondent does not have a personal representative, the court may appoint a guardian ad litem, and the guardian ad litem may appear for the deceased respondent. Current law requires that the summons and petition in the paternity action be served on the personal representative and the guardian ad litem of a deceased respondent. This bill changes the "and" to an "or." Since the court appoints a guardian ad litem only if there is no personal representative, a deceased respondent in a paternity action would not have both a personal representative and a guardian ad litem.

For further information, see the NOTES provided by the Law Revision Committee of the Joint Legislative Council.

Provides that in a paternity action in which the respondent is deceased, either the personal representative or the guardian ad litem for the deceased respondent must be served with the summons and petition. Under current law, a personal representative or a guardian ad litem may appear for a deceased respondent; however, current law requires both to be served with the summons or petition.

Under current law, a personal representative for a deceased respondent in a paternity action may appear for the respondent whenever an appearance is required.
