In such case, the municipal clerk shall prominently post a notice of the registration location at the polling place. An eligible elector who desires to register shall execute a registration form as prescribed under par. (a) and provide proof of residence as provided under s. 6.34. If proof of residence is provided, the officials shall enter both the type of identifying document submitted as proof of residence

and the name of the entity or institution that issued the identifying document in the space provided on the poll list and shall verify that the name and address on the identification identifying document submitted as proof of residence provided is the same as the name and address shown on the registration list. If proof of residence is required and not provided, or if the elector does not present proof of identification under par. (a), whenever required, the officials shall offer the opportunity for the elector to vote under s. 6.97.

**SECTION 8m.** 6.79 (4) of the statutes is amended to read:

When any elector provides proof of residence under s. 6.15, 6.29 or 6.55 (2), the election officials shall enter both the type of identifying document provided and the name of the entity or institution that issued the identifying document on the poll list, or separate list maintained under sub. (2) (c). ~~If the document submitted as proof of identity or residence includes a number which applies only to the individual holding that document, the election officials shall also enter that number on the list.~~ When any person offering to vote has been challenged and taken the oath, following the person's name on the poll list, the officials shall enter the word "Sworn".

**SECTION 9.** 6.82 (1) (a) of the statutes is amended to read:

6.82 (1) (a) When any inspectors are informed that an eligible elector is at the entrance to the polling place who as a result of disability is unable to enter the polling place, they shall permit the elector to be assisted in marking a ballot by any individual selected by the elector, except the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector. Except as authorized in s. 6.79 (6) and (7), the individual selected by the elector shall present to the inspectors proof of identification and, if the proof of identification does not constitute proof of residence under s. 6.34, shall also provide proof of residence under s. 6.34 for the assisted elector, ~~whenever required,~~ and all other information necessary for the elector to obtain a ballot under s. 6.79 (2). The inspectors shall verify that the name on the proof of identification presented by the person assisting the elector conforms to the elector's name on the poll list or separate list ~~and,~~ shall verify that any photograph appearing on that document reasonably resembles the elector, and shall enter both the type of identifying document submitted by the assisted elector as proof of residence and the name of the entity or institution that issued the identifying document in the space provided on the poll list or separate list. The inspectors shall then issue a ballot to the individual selected by the elector and shall accompany the individual to the polling place entrance where the assistance is to be given. If the ballot

is a paper ballot, the assisting individual shall fold the ballot after the ballot is marked by the assisting individual. The assisting individual shall then immediately take the ballot into the polling place and give the ballot to an inspector. The inspector shall distinctly announce that he or she has "a ballot offered by .... (stating person's name), an elector who, as a result of disability, is unable to enter the polling place without assistance". The inspector shall then ask, "Does anyone object to the reception of this ballot?" If no objection is made, the inspectors shall record the elector's name under s. 6.79 and deposit the ballot in the ballot box, and shall make a notation on the poll list: "Ballot received at poll entrance".

**SECTION 10.** 6.88 (3) (a) of the statutes is amended to read:

6.88 (3) (a) Except in municipalities where absentee ballots are canvassed under s. 7.52, at any time between the opening and closing of the polls on election day, the inspectors shall, in the same room where votes are being cast, in such a manner that members of the public can hear and see the procedures, open the carrier envelope only, and announce the name of the absent elector or the identification serial number of the absent elector if the elector has a confidential listing under s. 6.47 (2). When the inspectors find that the certification has been properly executed, the applicant is a qualified elector of the ward or election district, and the applicant has not voted in the election, they shall enter an indication on the poll list next to the applicant's name indicating an absentee ballot is cast by the elector. They shall then open the envelope containing the ballot in a manner so as not to deface or destroy the certification thereon. The inspectors shall take out the ballot without unfolding it or permitting it to be unfolded or examined. Unless the ballot is cast under s. 6.95, the inspectors shall verify that the ballot has been endorsed by the issuing clerk. If the poll list indicates that proof of residence under s. 6.34 is required and proof of residence is enclosed, the inspectors shall enter both the type of identifying document submitted by the absent elector and the name of the entity or institution that issued the identifying document on the poll list in the space provided. If the poll list indicates that proof of residence under s. 6.34 is required and no proof of residence is enclosed or the name or address on the document that is provided is not the same as the name and address shown on the poll list, the inspectors shall proceed as provided under s. 6.97 (2). The inspectors shall then deposit the ballot into the proper ballot box and enter the absent elector's name or voting number after his or her name on the poll list in the same manner as if the elector had been present and voted in person.
