4             as proof of residence.

### *Analysis by the Legislative Reference Bureau*

With limited exceptions, current law requires each person who is an eligible elector and who wishes to vote in this state to first register. In certain circumstances, an eligible elector must submit proof of residence with his or her registration form or prior to being permitted to vote. For example, a person who registers to vote on election day must present proof of residence at the polls. In addition, a person who registers in the clerk's office of his or her municipality within 20 days of an election must submit proof of residence in order to obtain registration. Finally, a person who is a first-time registrant in this state and who submits a registration form by mail must include proof of residence with that registration form. Current law specifies the types of identifying documents that qualify as proof of residence; these documents must contain the registrant's name and current address and include a real estate tax bill, a utility bill for the period commencing no earlier than 90 days before election day, a bank statement, and a current and valid Wisconsin driver license or identification card.

This bill requires the municipal clerk, clerk's agent, and other individuals authorized to accept receipt of a registration form from an elector to enter on the registration form or poll list, and in some cases both the registration form and poll

list, the type of identifying document submitted by the elector as proof of residence when proof of residence is required of the elector.

Under current law, the Government Accountability Board (board) must compile and maintain an official registration list. The registration list must contain specific information about each registered elector in the state, including the elector's name, address, date of birth, and an indication of how the elector's registration form was received. This bill requires the board to include on the official registration list an indication of whether an elector was required to provide proof of residence and, if so, the type of identifying document submitted by the elector as proof of residence.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

1 SECTION 1. 6.15 (2) (bm) of the statutes is amended to read:

 6 or permitting it to be unfolded or examined. Unless the ballot is cast under s. 6.95,  
 7 the inspectors shall verify that the ballot has been endorsed by the issuing clerk. If  
 8 the poll list indicates that proof of residence under s. 6.34 is required and proof of  
 9 residence is enclosed, the inspectors shall enter the type of identifying document  
 10 submitted by the absent elector on the poll list in the space provided. If the poll list

 13 as the name and address shown on the poll list, the inspectors shall proceed as
