

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRB-0177/P1dn  
EVM:eev:jm

November 13, 2012

ATTN: Anna Richter

This draft does not limit the time frame for when a violation will be counted as a second or subsequent conviction. Thus, a second or subsequent violation of s. 218.205 (1), stats., anytime in the violator's life would presumably subject that person to the criminal sanction. Please let me know if you want to provide a time limit for counting convictions or if you want any other changes.
