

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

1949/P1dn
FFK:jld:ph

April 10, 2013

To Senator Darling:

This draft does not include the position authorizations for the Department of Children and Families or the provision you requested to expand DCF's business analytics capacity to "data mine." I am waiting on additional information from DCF to complete those aspects of the draft.
