

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBa1292/2dn
MES:jld:rs

December 6, 2013

Senator Darling:

This version of the amendment addresses a concern raised by DOR in their November 5, 2013, technical memo, relating to created s. 71.05 (6) (a) 26., although this concern was not contained in your original drafting instructions. Andrew in your office suggested that I talk to DOR about the department's concerns and Nate at DOR reiterated that DOR would like this concern addressed. Is this OK?
