Subject: RE: Amendment to SB 375

Hey Peter, thank you so much for getting back to me.

Regarding your points: that's fine deleting on Page 2, Lines 1-8. Second, deleting "nurses" on Page 4, Line 7, we want to leave it up to the school(s) where to have them filed. Finally, and I hope this is alright, would it be possible to add another item to the amendment; in your "drafter's note" you noted that it might be unclear concerning how to interpret sec. 118.292 with respect to 118.192, so perhaps we could add a "notwithstanding" and hopefully that might help to clarify things.

Let me know what you think.

As always, thankx a mil.

Hi Dean,

If we delete p. 2, line 2, I need to delete p. 2, line 1 to 8.

If we delete p. 4, line 7, do you want to specify where the prescription is filed? Perhaps with the school district clerk? Or do you want it filed in the school that the pupil attends, perhaps in the principal's office? Also, if we change p. 4, line 7, do you also want to change p. 4, line 9?
