**Subject:** RE: SB 391 - Charity Care

AJ,

I think that makes sense. I'll just make sure that dentists and dental hygienists cannot come in with an out-of-state license to participate in the program. That should be relatively simple.

Thanks,  
Tami

Tami,

We just want to remove them from that bill. So basically there would be no changes to current law as it relates to dental hygienists and dentists. Does that make more sense?

Thanks

AJ,

I just need some clarification. Do you want all dentists and hygienists removed from the volunteer health care provider program, including the in-state ones? Or do you just want alter the out-of-state volunteers such that dentists and hygienists licensed in another state cannot come into Wisconsin to be a volunteer health care provider?

If you want all dentists and hygienists removed, in-state and out-of-state, I will probably have some follow up questions and I'll need to check something with the other Volunteer Health Care Provider bill (AB 270).

Thanks,  
Tami

Hi Tami,

I was wondering if you could put together an amendment for SB 391 for our office. We would like to simply remove dentists and dental hygienists from the program. While we understand it's not totally necessary to alter the bill, it might just be an easier option to alleviate some of the concerns.

Thanks for your help.

Hey Tami,

The preliminary amendment draft you put together for us on SB 391 looks good. If you could submit that and send it over that would be great.

Thanks for your help.
