

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBa1804/P1dn
TKK:eev:rs

February 13, 2014

Sarah:

I spoke with Bob Soldner at DPI this afternoon and I believe the language in this draft will address DPI's concerns. However, please review and share, as appropriate, to be sure that that is the case. If it works as drafted, I will prepare the amendment for introduction.
