2013 SENATE BILL 598

February 13, 2014 - Introduced by Senators OLSEN and DARLING, cosponsored by Representatives KESTELL and KOYENGA. Referred to Committee on Education.

1 **AN ACT to amend** 115.415 (3) (a) (intro.) of the statutes; **relating to:** utilizing

Analysis by the Legislative Reference Bureau

Current law directs the Department of Public Instruction (DPI) to develop a system to evaluate the effectiveness of teachers and principals in public schools, including independent charter schools. DPI must also promulgate rules establishing an equivalency process aligned with its evaluation system for a school district or independent charter school that wishes to use an alternative method of evaluating teachers and principals. This bill allows a charter school under contract with a school board that is not an instrumentality of the school district to use an alternative method of evaluating teachers and principals.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 115.415 (3) (a) (intro.) of the statutes is amended to read:
