*Analysis by the Legislative Reference Bureau*

This bill authorizes Marquette University to enter into an agreement with the state and the city of Milwaukee to establish a university police department and employ university police officers. Under this bill, except as provided otherwise in the agreement, Marquette University police officers have the same powers as Milwaukee law enforcement officers to maintain order, detect and prevent crime, enforce laws and ordinances, and make arrests for violations of laws and ordinances and Marquette may assign additional duties to the Marquette University police officers. This bill requires that a Marquette University police officer meet training and certification standards provided by the Law Enforcement Standards Board, that Marquette University have written policies on arrests and rendering aid, and that Marquette University maintain liability insurance. Finally, under this bill, a Marquette University police officer is a peace officer for purposes of the Criminal Code and the Marquette University police department is subject to certain public records laws.
