Description					
Authorizing Marquette University to create a police department and employ university police officers					

Assumptions Used in Arriving at Fiscal Estimate

This bill authorizes Marquette University to create a police department and employ university police officers. Milwaukee County District Attorney John Chisholm supports this bill and has stated that his office has forged a close working relationship with Marquette's Public Safety Department.

DA Chisholm acknowledges that this could add to prosecutors' workload, but that it will not create any unmanageable resource constraints. Consequently, the fiscal impact is indeterminate.

Long-Range Fiscal Implications

Milwaukee County District Attorney John Chisholm anticipates that this bill could lead to an increased workload for his prosecutors, but will not create significant constraints on his office. The long-term fiscal impact is indeterminate.
