2013 SENATE BILL 553

February 3, 2014 – Introduced by Senator LAZICH, cosponsored by Representative KUGLITSCH. Referred to Committee on Health and Human Services.

1 **AN ACT to create** 254.47 (5m) of the statutes; **relating to:** administration of
2 medications at a camp.

Analysis by the Legislative Reference Bureau

Under current law, the Department of Health Services (DHS), among other recreational areas and activities, regulates certain aspects of campgrounds and camping resorts and recreational and educational camps. This bill requires DHS to allow qualified health services staff to designate an individual at a camp that lasts longer than three days to administer to an individual who is a camper or a staff member and who is under 18 years of age medications brought to the camp by that camper or staff member, other than medications that a camper or staff member may carry himself or herself.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 254.47 (5m) of the statutes is created to read:
4 254.47 (**5m**) (a) In this subsection, “qualified health services staff” means any
5 of the following:
6 1. A physician.
