**Subject:** FW: Camp Medication Distribution

When you get a chance, I would like to discuss the highlighted portions of the DHS code about a possible statutory change.

Tom Lyons  
Office of State Senator Mary Lazich  
28<sup>th</sup> Senate District

### DHS 175.19

(6) MEDICATIONS. (a) All medications brought to camp by a camper or staff member shall be in containers that are clearly labeled to include the name of the camper or staff member, the name of the medication, the dosage, the frequency of administration and the route of administration. All medication prescribed by a physician shall, in addition, be labeled to include the name of the prescribing physician, the prescription number, date prescribed, possible adverse reactions, the specific conditions when contact should be made with the physician and other special instructions as needed.

(b) Except as allowed in par. (c), all medication brought to camp by a camper or staff member under 18 years of age shall be kept in a locked unit and shall be administered by health services staff qualified under sub. (5) (b), except that bee sting medication, inhalers, an insulin syringe or other medication or device used in the event of life-threatening situations may be carried by a camper or staff member. Each camper or staff member 18 years of age or older may take responsibility for the security of his or her personal medication.

(c) When a camp's facilities are used for a program of 3 nights or less, an adult leader of the group shall keep all medications brought to camp by a camper or staff member under 18 years of age in a locked unit. The adult leader shall be responsible for the administration of the medications.

### DHS 175.19

(5) HEALTH CARE. (a) *Camp health supervisor.* Except as provided under par. (e), a camp shall have an adult camp health supervisor who shall be responsible for routine and emergency health care supervision at the camp.

(b) *Health services staff qualifications.* 1. Except as provided under par. (e) and as permitted in subd. 3., the on-site health services staff shall include at least one of the following:

- a. A physician licensed in Wisconsin.
- b. A registered nurse licensed in Wisconsin.
- c. A physician assistant licensed in Wisconsin.
- d. A practical nurse licensed in Wisconsin.
- e. A national athletic trainers association certified trainer.
- f. An emergency medical technician or a paramedic.
- g. A person currently certified as completing the American red cross emergency response course.
- h. A person currently certified as completing the American red cross responding to emergencies course or equivalent.

**DHS 175.02 Scope. (1) APPLICABILITY.** This chapter applies to the operators of recreational and educational camps and to the department and its agents.

**(2) APPROVED COMPARABLE COMPLIANCE. (a) The department**

At camps lasting longer  
than a week

allow certified health  
officers to designate  
someone to administer  
meds.

may approve an alternative to a method, practice, material, equipment or design required under this chapter that will not be contrary to public health, safety or welfare when the department is provided with satisfactory proof that the alternative will achieve results which are closely equivalent to the results of literal application of the requirement under this chapter.

(b) An alternative approved by the department under par. (a) may be made conditional for either of the following:

1. A defined period of time.
2. Experimental or trial purposes.
