Yes, please include them, and also draft a senate version for Sen. Lasee's office.

You can ask the PSC to cancel their request, they weren't aware of the existing draft amendment it seems.

Okay. Do you want me to include Nathan (and John Lorence) at the PSC to be copied on the electronic version of the redraft when it goes out? Also, do you mind if I talk with them to confirm they want to cancel their request for a separate amendment?

Thanks.

Mike

Mike,

I believe Nathan from the PSC just spoke with you about an amendment. Instead of them having a separate amendment for the change, I would like you to just include the PSC in LRB a1636. I have the jacket for that one, I'll send it back over to you for the change.
