

**ASSEMBLY SUBSTITUTE AMENDMENT 1,
TO SENATE BILL 270**

November 12, 2013 – Offered by Representative WEATHERSTON.

- 1 **AN ACT to amend** 343.06 (1) (c), 343.16 (1) (a) and 343.16 (2) (cm) of the statutes;
2 **relating to:** motorcycle operator's licenses and rider courses.

Analysis by the Legislative Reference Bureau

Under current law, with limited exceptions, applicants for a motor vehicle operator's license are required to successfully complete a knowledge test and an on-the-road driving skills test. Also under current law, the Department of Transportation (DOT) must waive the driving skills test for a person applying for authorization to operate motorcycles if the person has successfully completed a basic rider course approved by DOT. This substitute amendment requires DOT to waive the motorcycle driving skills test for an applicant who has successfully completed a rider course approved by the Wisconsin DOT Motorcycle Safety Program.

Also under current law, DOT may not require a person applying for authorization to operate motorcycles who has successfully completed a basic rider course approved by DOT to hold an instruction permit prior to the issuance of a license authorizing the operation of motorcycles. Under this substitute amendment, DOT may not require a person who is applying for authorization to operate motorcycles and who has successfully completed a rider course approved by the Wisconsin DOT Motorcycle Safety Program to hold an instruction permit prior to the issuance of a license authorizing the operation of motorcycles.

Under current law, DOT generally may not issue a license authorizing the operation of motorcycles to a person under the age of 18 unless the person has

completed a basic rider course approved by DOT. Under this substitute amendment, DOT may not issue such a license unless the person has completed a basic rider course approved by the Wisconsin DOT Motorcycle Safety Program.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
