Except as provided in par. (e), a potato harvester is subject to the maximum gross weight limitation for implements of husbandry specified in par. (b).

2. A potato harvester is not required to be accompanied by any escort vehicle under subd. 1. if the potato harvester is traveling between fields or between a farm and a field and is operated on the highway for a distance of 0.5 miles or less.

If the maintaining authority fails to approve or deny the application within this 3-week period, the application is considered approved until the applicant receives a denial meeting the requirements under subd. 4. or until 6 weeks from receipt of the application. If the maintaining authority fails to approve or deny the application within 6 weeks of its receipt, the application is approved.

2. Subject to subd. 3. and par. Upon receiving an application for amendment under this subdivision, the maintaining authority shall provide the applicant with a decision on the application within 5 business days of its receipt. If the maintaining authority fails to approve or deny the application within this period of 5 business days, the application is considered approved until the applicant receives a denial meeting the requirements under subd. 4. or until 10 business days from receipt of the application. If the maintaining authority fails to approve or deny the application within 10 business days of its receipt, the application is approved. (c) 3. accompanying the application, the maintaining authority shall modify the application to include an approved alternate route or map of highways for operation of the implement of husbandry and approve the application.

b. The approved alternate route or map of highways under subd. 4m. a. may include highways that are not under the jurisdiction of the maintaining authority issuing the permit only upon prior approval of the maintaining authority having jurisdiction over those highways.

5. a. The governing body of a municipality or county may, by resolution or ordinance, authorize operation on any or all highways under the municipality's or county's jurisdiction of implements of husbandry and agricultural commercial motor vehicles that exceed limitations on length or weight, or both, imposed by this chapter. The governing body of the municipality or county shall make copies of the resolution or ordinance readily available to the public at multiple locations within the municipality or county.

c. If the governing body of a municipality or county adopts a resolution or ordinance under subd. 5. a. that applies to fewer than all of the highways under the municipality's or county's jurisdiction or that authorizes operation of implements of husbandry and agricultural commercial motor vehicles but imposes conditions, restrictions, or limitations on this operation, then a person may apply for a permit under subd. 1. for operation of an implement of husbandry or agricultural commercial motor vehicle on any highway or under any circumstance not authorized by the resolution or ordinance.

d. Each municipality or county that adopts a resolution or ordinance under this subdivision shall forward to the department a copy of the resolution or ordinance, and the department shall publish the resolution or ordinance on the department's Internet site.

(c) 1. With respect to any highway under its jurisdiction, and as provided in par. 2. A no-fee permit issued under this subsection does not exempt any implement of husbandry or agricultural commercial motor vehicle from complying with all equipment and other requirements for an implement of husbandry or agricultural commercial motor vehicle specified in ch. 347.

3. Except as provided in par. (b) 5. b., an application for a no-fee permit under this subsection shall be accompanied by a listing or map of the highways that may potentially be traveled under authorization of the permit.

4. A no-fee permit issued under this subsection is not valid on any highway that is a part of the national system of interstate and defense highways.

5. No fee may be charged for issuance or amendment of a permit under this subsection, or for any study, investigation, or other review in connection with an application for a permit or amendment of a permit under this subsection.

7. Permits issued under this subsection by a maintaining authority under par. (a) 1., including amended permits for which an application has been approved under par. (b) 2., shall automatically renew each year unless there is a material change to any roadway for which the permit applies.

(d) 1. The department shall prescribe an application form for no-fee permits, and amendments to no-fee permits, under this subsection. Except with respect to permits under par. (b) 5. b., this form shall be used by each maintaining authority. The application form shall require the applicant to provide, on the form or as an attachment, all of the following information:

a. The applicant's contact information.

b. A listing or map of the highways that may potentially be traveled under authorization of the permit.

c. Identification of the types of implements of husbandry or agricultural commercial motor vehicles for which the application is made; the length, number of axles, make, model, and estimated weight of the implements of husbandry or agricultural commercial motor vehicles; and the time of year and frequency that these implements of husbandry or agricultural commercial motor vehicles are expected to be operated on the highway.

d. Changes to the original application when requesting an amendment to a previously issued no-fee permit.

e. Any other information considered necessary by the department to determine the acceptability of the application.

2. The department shall prescribe a procedure for the submission of applications to the maintaining authority under par. (b) 1. and 2. The procedure shall allow an application to be submitted by mail, including certified mail, by electronic transmission, or in person, and shall include a method for accurately documenting the date of receipt of the application regardless of which delivery method is used.

3. a. Except as provided in subd. 3. b., c., and d., a maintaining authority shall keep confidential all information provided by an applicant for a permit under this subsection and this information is not open to public inspection, copying, or disclosure under s. 19.35.

b. A maintaining authority described in par. (a) 2. shall disclose to the department, upon its request, infor-

mation provided by an applicant for a permit under this subsection, but the department shall keep the information confidential, and this information is not open to public inspection, copying, or disclosure under s. 19.35.

c. A maintaining authority shall, upon request, disclose to a law enforcement agency, for use only for law enforcement purposes, information provided by an applicant for a permit under this subsection.

d. This subdivision does not prohibit a maintaining authority from disclosing on a permit under this subsection the information necessary to carry out the purpose of the permit.

(e) 1. In this paragraph, "adverse determination" means the denial of an application for issuance or amendment of a no-fee permit under this subsection.

2. Notwithstanding s. 348.25 (9), any person aggrieved by an adverse determination by a municipality or county may obtain review of the adverse determination in the manner provided in ch. 68 or as provided under an ordinance or resolution adopted under s. 68.16. However, review of the initial determination of the municipality or county, under s. 68.09 or 68.10 or under the equivalent provision of an ordinance or resolution adopted by a municipality under s. 68.16, shall be made by, respectively, the governing body of the municipality or the county highway committee of the county.

3. Any person aggrieved by an adverse determination by the department may petition as provided in s. 348.25 (9).

(f) 1. Except as provided in subd. 2., this subsection does not apply after January 1, 2020, and any permit issued under this subsection or resolution or ordinance adopted under par. (b) 5. a. on or before January 1, 2020, is void after January 1, 2020.

2. The confidentiality requirements under par. (d) 3. continue to apply after January 1, 2020, to all application information provided on or before January 1, 2020.
