

Fiscal Estimate Narratives

DWD 11/12/2013

LRB Number	13-3024/1	Introduction Number	AB-0487	Estimate Type	Original
Description Exempting from the prevailing wage law public works projects erected, constructed, repaired, remodeled, or demolished for a school district or for a cooperative educational service agency					

Assumptions Used in Arriving at Fiscal Estimate

The Equal Rights Division's jurisdiction for the prevailing wage law only covers the part that exempts schools from the prevailing wage requirement. The notification requirement being inserted by LRB-3024/1 (AB487) does not come under the Equal Rights Division's jurisdiction. No additional cost is anticipated if this change is approved, and no DWD Equal Rights Division forms would need to be changed.

I. One-time Costs or Revenue Impacts for State and/or Local Government (do not include in annualized fiscal effect): No additional costs are anticipated. The Equal Rights Division has jurisdiction over the part of the bill that exempts schools from the requirements of the prevailing wage law. The notification requirements for the notice of resolution and the referendum question on such a resolution do not come under the jurisdiction of the Equal Rights Division. No changes would be made to the Equal Rights Division's current forms.
