Assumptions Used in Arriving at Fiscal Estimate

This bill, if enacted, would make changes relating to advertising which pertains to adoption or other permanent placement of a child, delegation of parental power regarding the care and custody of a child for more than one year, and unauthorized interstate placements of children.

Prosecutors don't believe that this bill's proposed changes to current law will result in a fiscal impact on their offices.

Long-Range Fiscal Implications

Prosecutors do not expect there to be a long-term fiscal impact on their offices should this bill be enacted.
