Description Entry on property in foreclosure		

Assumptions Used in Arriving at Fiscal Estimate

This bill authorizes an employee or agent of the city, village, or town in which a property in foreclosure is located to go onto the property and enter any buildings, using reasonable force when necessary, to take action to preserve or protect the property or public health and safety. This is allowed only when the property has been abandoned.

Prosecutors do not believe that this bill, if enacted, will have any fiscal effect on their offices.

Long-Range Fiscal Implications

Should this bill be enacted, District Attorneys do not expect any long-term fiscal impact on their offices.
