

Fiscal Estimate Narratives

SWIB 4/1/2014

LRB Number 13-4275/1	Introduction Number AB-0894	Estimate Type Original
Description Paid family leave, granting rule-making authority, and making appropriations		

Assumptions Used in Arriving at Fiscal Estimate

It is assumed that the family leave benefits trust fund created by this bill would be included in and managed together with other funds in the State Investment Fund. The cost of adding monies in the family leave benefits trust fund to other funds managed in the State Investment Fund would be minimal.

Long-Range Fiscal Implications
