

Fiscal Estimate Narratives

DWD 2/4/2014

LRB Number 13-4068/1	Introduction Number SB-002 (JR4)	Estimate Type Original
Description Workforce training grants to technical colleges, workforce training grants for collaborative projects among school districts, technical colleges, and businesses, workforce training grants and services to enhance employment opportunities for persons with disabilities, and making an appropriation		

Assumptions Used in Arriving at Fiscal Estimate

This bill decreases the general purpose revenue supplemental appropriation to the Joint Committee on Finance by \$35,400,000 in the 2013–15 state fiscal biennium and increases the workforce training program grants appropriation to DWD by that amount in that biennium and requires DWD to allocate that amount for all of the following:

1. Grants to technical colleges for the reduction of waiting lists for enrollment in programs and courses in high-demand fields, as determined by DWD.
2. Grants for collaborative projects among school districts, technical colleges, and businesses to provide high school pupils with industry-recognized certifications in high-demand fields, as determined by DWD.
3. Grants to public and private organizations or services provided by DWD to enhance employment opportunities for persons with disabilities.
4. Administration of the grants under the bill to technical colleges, grants under the bill for collaborative projects, and grants or services under the bill to enhance employment opportunities for persons with disabilities and, if DWD determines that the full amount of the appropriation increase under the bill will not be needed for those grants and services and for that administration, grants for workforce training programs for the training of new and incumbent employees under current law.

The fiscal effect of the bill is estimated to a one-time expense of \$35.4 million for the above stated purposes.

Long-Range Fiscal Implications

Because the funding is a one-time transfer, no long term fiscal effects are estimated.
