Description Creating a mechanism for an interested person to request an emergency stabilization and providing a penalty					

Assumptions Used in Arriving at Fiscal Estimate

This bill, if enacted, would create a new procedure for initiating an emergency stabilization of an individual who is likely to cause harm to themselves or others. Within 24 hours of filing the petition for emergency stabilization, the court shall deny the petition or order an emergency stabilization. The bill also provides corporation counsel the option of participating in the petition for judicially ordered emergency stabilization and the probable cause hearing.

Prosecutors do not anticipate this will have a fiscal effect on their offices.

Long-Range Fiscal Implications

Prosecutors do not expect there to be a long-term fiscal impact on their offices.
