## **Assumptions Used in Arriving at Fiscal Estimate**

This bill would prohibit the possession of a correctional employee's or health services employee's personal identifying information by a person who is imprisoned or in the custody of the Department of Corrections, or a patient at a mental health facility.

Prosecutors do not expect there to be much, if any, fiscal effect on their offices should this bill be enacted.

## **Long-Range Fiscal Implications**

District Attorneys do not believe there will be a long-term fiscal impact on their offices should this bill be enacted.
