Description Unauthorized possession of a correctional employee's or a health services employee's personal identifying information and providing a penalty									

## Assumptions Used in Arriving at Fiscal Estimate

This bill prohibits the unauthorized possession, by a person who is incarcerated in a prison or who resides in a mental health facility, of a correctional or health services employee's personal identifying information or a document relating to the employee's personal identifying information. A person who violates this prohibition is guilty of a Class H felony.

The Department of Health Services has determined that this bill will have no fiscal effect on the Department.
