

WISCONSIN LEGISLATIVE COUNCIL ACT MEMO

2013 Wisconsin Act 93
[2013 Senate Bill 258]

Concussion Information

Currently, at the beginning of a season for a youth athletic activity, the person operating the youth athletic activity must distribute a concussion and head injury information sheet to each person who will be coaching that youth athletic activity and to each person who wishes to participate in that youth athletic activity. No person may participate in a youth athletic activity unless the person returns the information sheet signed by the person and, if he or she is under the age of 19, by his or her parent or guardian.

2013 Wisconsin Act 93 modifies this requirement to provide that the concussion information sheet must only be submitted once per school year, rather than prior to participation in each athletic activity during the school year. If participating in a youth athletic activity in a private club, the concussion information sheet must only be submitted once in every 365-day period prior to participation in the athletic activity.
