

WISCONSIN LEGISLATIVE COUNCIL ACT MEMO

2013 Wisconsin Act 266
[2013 Assembly Bill 173]

Trout Unlimited License Plates

2013 Wisconsin Act 266 authorizes the development of special vehicle license plates for persons interested in supporting Wisconsin Trout Unlimited. Under the Act, the Department of Transportation (DOT) must develop the plates only if it receives sufficient contributions from interested individuals by June 30, 2017, to cover the DOT's estimated costs of production. If the plates are produced, DOT must charge, in addition to the regular registration fee, a \$15 fee for the issuance or reissuance of the special plates, and a \$25 annual payment. The \$25 annual payment is to be directed to Wisconsin Trout Unlimited.

If DOT does not receive sufficient contributions by this date, DOT will not develop the plates and must promptly return to each contributor his or her contributions, minus up to \$2.50 to cover the costs associated with returning the contributions.

If DOT receives sufficient contributions by the deadline, it will begin issuing the special plates to persons who request them, and directing the \$25 annual fee associated with each plate to Wisconsin Trout Unlimited.

Effective date: November 1, 2014.
