

WISCONSIN LEGISLATIVE COUNCIL ACT MEMO

2013 Wisconsin Act 299
[2013 Assembly Bill 769]

**Project Costs Under the Tax
Incremental Financing Program**

Under **prior law**, generally retained by the Act, the cost of constructing or expanding a facility of a type typically financed with user fees is generally not an authorized “project cost” for purposes of tax incremental financing.

2013 Wisconsin Act 299 creates an exception to that exclusion for parking structures that support redevelopment activities.

Effective date: April 18, 2014.
