Rule-making procedures

Current law sets forth a procedure for the promulgation of administrative rules (rules). Generally, that procedure consists of the following steps:

1. The agency planning to promulgate the rule prepares a statement of the scope of the proposed rule, which the governor and the agency head must approve before any state employee or official may perform any activity in connection with the drafting of the proposed rule.

2. The agency drafts the proposed rule, together with an economic impact analysis, plain language analysis, and fiscal estimate for the proposed rule, and submits those materials to the Legislative Council Staff for review.

3. Subject to certain exceptions, a public hearing is held on the proposed rule.
4. The final draft of the proposed rule is submitted to the governor for approval.
5. The final draft of the proposed rule, together with an economic impact analysis, plain language analysis, and fiscal estimate for the proposed rule, are submitted to the legislature for review by one standing committee in each house and by the Joint Committee for Review of Administrative Rules.
6. The proposed rule is filed with the Legislative Reference Bureau (LRB) for publication in the Wisconsin Administrative Code (code) and the Wisconsin Administrative Register (register), and, subject to certain exceptions, the rule becomes effective on the first day of the first month beginning after publication.

Under this bill, if a bill that repeals or modifies a rule is enacted, the ordinary rule-making procedures under current law do not apply. Instead, the LRB must publish the repeal or modification, in the code and the register, and the repeal or modification, subject to certain exceptions, takes effect on the first day of the first month beginning after publication.

TREATMENTS OF ADMINISTRATIVE RULES

Under current law, DWD has promulgated rules for the administration of the laws governing traveling sales crews, which are defined under current law as two or more individuals who are employed as salespersons or in related support work, who travel together in a group, and who are absent overnight from their permanent places of residence for the purpose of selling consumer goods or services from house to house, on any street, or in any other place that is open to the public.

Those rules include: 1) a rule requiring the employer of a traveling sales crew worker (worker) to provide payment to its employees on regularly agreed upon pay dates and to state clearly on a worker’s paycheck, pay envelope, or paper accompanying the wage payment the number of hours worked, the rate of pay, and the amount of and reason for each deduction from the wages earned by the worker; and 2) a rule requiring a traveling sales crew operator (operator) to obtain a permit for each worker who works in this state and an operator and worker to carry the permit at all times while engaging in traveling sales crew activities.

This bill modifies those rules to require: 1) the employer of a worker to provide payment to its employees on regularly agreed upon pay dates, which shall be no less often than semimonthly, and to state clearly on a worker’s paycheck, pay envelope, pay stub, other paper accompanying the wage payment, or simultaneously issued electronic statement corresponding to the wage payment the number of hours worked, the rate of pay, and the amount of and reason for each deduction from the wages earned by the worker; and 2) an operator to obtain a permit and identification card for each worker who works in this state and an operator and worker to carry the permit and identification card at all times while engaging in traveling sales crew activities.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
