1     **Relating to:** recognizing and commending the outstanding athletic achievements  
2           of Lauri Bausch.

3           Whereas, Lauri Bausch is a U.S. Women's Skeleton athlete from Fredonia,  
4     Wisconsin, who graduated from Kewaskum High School, attended the University of  
5     Wisconsin-Eau Claire, and graduated with a degree in Kinesiology; and

6           Whereas, in the fall of 2009, while interning at the Olympic Training Center in  
7     Lake Placid, New York, Lauri had the opportunity to try skeleton, a winter sport in  
8     which one person slides down the ice track face first on a small sled; and

9           Whereas, after trying skeleton for the first time she fell in love with the sport  
10    and began to race competitively, and after a great deal of success Lauri qualified for  
11    the 2010-11 National Team Trials; and

12           Whereas, Lauri concluded her successful European Cup skeleton season in St.  
13    Moritz, Switzerland, on January 20, 2014, and earned a Bronze Medal; now,  
14    therefore, be it
