2013 SENATE BILL 48

AN ACT to amend 119.04 (1); and to create 38.12 (12), 66.0138 and 120.12 (28)
of the statutes; relating to: funding postretirement health care benefits of local
government employees.

Analysis by the Legislative Reference Bureau

Currently, cities, villages, towns, counties, school districts, and technical college districts (local governments) provide health care benefits for their employees. Some also provide postretirement health care benefits for their employees.

This bill prohibits a local government from providing health care benefits to any employee hired on or after January 1, 2014, for use upon the employee’s retirement, including compensated absences but excluding the implicit rate subsidy, unless the cost of the benefit is fully funded in a segregated account on an actuarial basis or other method that complies with generally accepted accounting principles.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 38.12 (12) of the statutes is created to read:

38.12 (12) HEALTH CARE BENEFITS FOR RETIREES. If the district board provides any health care benefits for use upon retirement, including compensated absences
but excluding the implicit rate subsidy, to an employee hired on or after January 1, 2014, the district board shall ensure that the cost of the benefits is fully funded in a segregated account on an actuarial basis or other method that complies with generally accepted accounting principles.
