HEALTH AND HUMAN SERVICES

OTHER HEALTH AND HUMAN SERVICES

Under current law, DCF must certify to DOR, for purposes of collection through intercepting state income tax refunds, delinquent payments of child support, family support, maintenance, past support, medical expenses, birth expenses, and centralized receipt and disbursement fees, which must be paid annually by persons who are obligated to pay support or maintenance. These certifications by DCF must be made for cases in which the payee is receiving services under DCF's child and spousal support and establishment of paternity and medical support liability program or in which the state is a real party in interest as specified under current law. This bill provides that DCF must also, at least annually, certify to DOR delinquent payments of centralized receipt and disbursement fees that are owed in cases not involving persons receiving services from county child support agencies.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
