

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBa0236/P1dn
MED:cjs:rs

March 13, 2015

This amendment requires a copy of a petition and proposed rule submitted by an agency under the expedited process to also be referred to one standing committee in each house for review. Each standing committee would have 30 days, subject to a possible 30-day extension or a waiver, to review the proposed rule and make a recommendation. Similar to the current process, JCRAR would have the authority to take any final action on the petition. Does this satisfy the intent?
