

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-0680/P1dn
PJK:sac:rs

December 4, 2014

Note that I have added “For purposes of this section” before “a consumer has the right to select . . .” As I reviewed this draft, it seemed to me that I should restrict this language to the particular issue being addressed in the draft. That language may not apply to all possible situations and I wanted to make sure it would not be interpreted more broadly than intended.
