Tracy,

Could you please draft one more amendment to LRB 0587 (financial literacy draft)?

UW System requested change from orientation period, to first semester, for disseminating financial literacy information:

36.11 (22m) FINANCIAL LITERACY. The board shall direct each institution and college campus to incorporate in its orientation program for newly entering students information on financial literacy.

If you have any questions please let me know.

Thank you for your attention to this request.
