Joe—

For SB 443 and its companion, AB 608, could we have identical amendments drafted for introduction for both versions of the bill?

So any amendments Senator Marklein has had drafted for SB 443, Representative Novak would like drafted for AB 608 for continuity.

Let me know if you have any questions. If you need the request to come directly from their office, Representative Novak and staff have been cc'd on this email.

Thanks,
