Subject: Bill Draft Request.

Hello Tracy. We understand that, under the open enrollment law, students who wish to open enroll who are siblings of a student who is already open enrolled receive priority over others.

Senator Miller requests a bill draft to allow students of school district employees (who live in another district) to receive priority over other open enrollment applicants, other than the sibling priority.

So, first priority would be siblings of current open enrollees.
Second priority would be children of school district employees.

Does this make sense? Please call with questions. Thank you.

AN ACT ...; relating to: open enrollment applicant priority. ✓

Analysis by the Legislative Reference Bureau

Under the Open Enrollment Program, a pupil may apply to attend a public school in a school district other than the pupil's resident school district (nonresident school district) if certain conditions are met. If the nonresident school district receives more applications from nonresident pupils than the district has spaces, the district must determine which pupils to admit on a random basis. However, before selecting on a random basis, the nonresident school district may first give preference to pupils and siblings of pupils who are already attending a school and, if the nonresident school district is a union high school district, to pupils who are attending an underlying elementary school.

This bill permits a nonresident school district to, after giving preference to pupils and siblings of pupils already attending a school in the nonresident school district and before giving preference to a pupil attending an underlying elementary school, give preference to a pupil whose parent or guardian is an employee of the nonresident school district.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2 **SECTION 1.** 118.51 (3) (a) 2. of the statutes is renumbered 118.51 (3) (a) 2. (intro.)
3 and amended to read:

1 118.51 (3) (a) 2. (intro.) A nonresident school board may not act on any
 2 application received under subd. 1. before May 1. If a nonresident school board
 3 receives more applications for a particular grade or program than there are spaces
 4 available in the grade or program, the nonresident school board shall determine
 5 which pupils to accept, including pupils accepted from a waiting list under sub. (5)
 6 (d), on a random basis, after giving preference to the following pupils in the following
 7 order of preference:✓

8 a. Pupils and ~~to~~ siblings of pupils who are already attending the nonresident
 9 school district ^{ok} and, if ^{plain}

10 c. If the nonresident school district is a union high school district, ~~to~~ pupils who
 11 are attending an underlying elementary school district of the nonresident school
 12 district under this section.

13 2m. If a nonresident school board determines that space is not otherwise
 14 available for open enrollment pupils in the grade or program to which an individual
 15 has applied, the school board may nevertheless accept a pupil or the sibling of a pupil
 16 who is already attending the nonresident school district, a pupil who has a parent
 17 or guardian who is an employee of the nonresident school district, ✓ and, if the
 18 nonresident school district is a union high school district, a pupil who is attending
 19 an underlying elementary school district of the nonresident school district under this
 20 section.
