Subject: RE: Drafting Instructions for SA4 to SB 131

Hi Sarah,

Per our conversation last week, our preference is to keep the language as suggested:

Another camper or visitor at the private campground acting in a negligent manner, where the campground owner or employees are not involved.

Let me know if you're ok with that. Thanks!

Subject: Drafting Instructions for SA4 to SB 131

Hi Sarah,

Senator LeMahieu would like to draft another amendment to SB 131. We would like the amendment to add the following language to the end of Page 2, Line 4 of SA 3 “where the campground owner or employees are not involved.”

The full provision should read: “Another camper or visitor at the private campground acting in a negligent manner, where the campground owner or employees are not involved.”

I believe this will be the final amendment drafted for this bill. Let me know if you have any questions.

Thanks,

Luke Petrovich
