### *Analysis by the Legislative Reference Bureau*

Under the bill, upon request of a parent or guardian, a school board, operator of an independent charter school, and governing body of a private school participating in a parental choice program must excuse a pupil enrolled in any grade from 3 to 12 from taking any examination designed to measure pupil attainment of knowledge and concepts (knowledge and concepts examination). Under current law, upon request from a parent or guardian, a school board, operator of an independent charter school, and governing body of a private school participating in a parental choice program must excuse a pupil in 4th, 8th, 9th, 10th, or 11th grade from taking the knowledge and concepts examination adopted by the state superintendent of public instruction that is required to be administered to pupils in that grade. The bill also prohibits the Department of Public Instruction (DPI) from considering how many pupils enrolled in a school or school district have been excused from taking any knowledge and concepts examination for purposes of the annual school and school district accountability report published by DPI.

Finally, the bill requires each school board, operator of an independent charter school, and governing body of a private school participating in a parental choice program to provide the parent or guardian of each pupil enrolled in a public school
