Subject: Amendment to LRB 2451 (Senate Bill 193)

Fern,

Senator Farrow would like to draft an amendment to Senate Bill 193 that would delete Section 1 of the bill.

Our office has spoken to DPI and understand that Section 1 could cause problems due to federal guidelines and certain consequences that remain even if this bill does become law.

For that purpose we are looking to have Section 1 removed. If you have any questions you may contact Jennifer Kammerud or Jeff Pertl at DPI, they can explain it better than I can.

Thanks for your attention to this request.

Regards,

Scott Rausch
