Please review the attached draft carefully to ensure that it is consistent with your intent.

Under current law, participation by an institution of higher education in the academic excellence higher education scholarship program is voluntary. As a condition of participation, the institution must commit to pay half of the scholarship amount. This amendment also requires the institution to offer internships to scholarship recipients who enroll in the institution.

Please let me know if you would like any changes made to the attached draft or if you have any questions. If the attached draft meets with your approval, let me know and I will convert it to an introducible "1" draft.
