Subject: Amendments to AB-874 and SB-239

Hi, Mary,

We would like the following amendments drafted to AB-874 and to its companion SB-239:

1. Prohibit the DNR from allowing businesses or individuals to write their own environmental permits. See: http://host.madison.com/wsj/opinion/column/racine-journal-times-dnr-shouldn-t-abdicate-its-responsibilities/article_7fa30eec-000a-5284-944c-4a055590a2db.html
2. Prohibit the DNR from allowing owners of high capacity wells to write their own environmental permits (see #1).
3. Draft an amendment that prohibits communities and owners of public water utilities from selling them to an out-of-state individual, business or corporation.

Let me know if you have any questions.

Thanks,

Jay
