Are you still drafting ch. 40?

Subject: Group Insurance Board

Hello Pam,

I was wondering if you could help with another insurance related draft. It is my understanding after talking with ETF that the Group Insurance Board is authorized by Administrative Rule ETF 10.20 (1) to offer state employees optional insurance plans through payroll deduction. Wis. Stats. 20.912 (1) (a) 3 provides the authority to have the premiums deducted from state and UW employee's salaries. Specifically we are looking at ancillary plans such as vision/dental. Rep. Kapenga would like to allow local municipal employees the same ability to buy in for the ancillary coverage as provided as an option for state employees.

Thank you for your help.
