4 the time that the individual or committee made the contribution.

5 (2) Except as provided in s. 11.0908, for purposes of complying with a
6 contribution limit under this section, the value of a contribution of a service is the
7 replacement cost of the service at the time that the individual or committee made the

9 **11.0905 Conduit contributions.** (1) For purposes of this chapter, a
10 contribution released by a conduit to a committee is to be reported by the committee
11 as a contribution from the person or committee who made the contribution and not
12 as a contribution from the conduit. *individual*

13 (2) A contribution of money received from a conduit, accompanied by the
14 information required under s. 11.0605 (3), is considered to be a contribution from the
15 original contributor.

16 (3) Each filing officer shall place a copy of any report received under s. 11.0605
17 (3) in the file of the conduit and the file of the transferee.

g
****NOTE: I believe we will need to add to the reporting requirements under
candidate committee, legislative campaign committee, political party committee,
referendum committee, and recall committee a requirement that the committees include
a copy of any report that accompanied a release of funds by a conduit.

18 **11.0906 Limitation on cash contributions.** Every contribution of money
19 exceeding \$100 shall be made by negotiable instrument or evidenced by an itemized
20 credit card receipt bearing on the face the name of the remitter. No committee
21 required to report under this chapter may accept a contribution made in violation of

4 this chapter may return a contribution at any time before or after it has been
5 deposited.

6 (2) (a) Except as provided in par. (b), the subsequent return of a contribution
7 deposited contrary to law does not constitute a defense to a violation.

8 (b) A committee that accepts a contribution contrary to law, reports that
9 contribution, and returns that contribution within 15 days after the filing date for
10 the reporting period in which the contribution is received does not violate the
11 contribution limits under s. 11.0901. *or source limits under s. 11.0909*

12 **11.0908 Valuation of opinion poll results** (1) In this section:

13 (a) "Election period" means any of the following:

14 1. The period beginning on December 1 and ending on the date of the spring
15 election.

16 2. The period beginning on May 1 and ending on the date of the general election.

17 3. The period beginning on the first day for circulating nomination papers and
18 ending on the date of a special election.

19 (b) "Initial recipient" means the individual who or committee which
20 commissions a public opinion poll or voter survey.

22 (d) "Voter survey" includes acquiring information that identifies voter
23 attitudes concerning candidates or issues.

24 (2) If a candidate or committee receives opinion poll or @ voter survey results
25 during the first 15 days after the initial recipient receives the results, and the

1 candidate or committee received the results during an election period, the candidate
2 or committee shall report the results as a contribution. The candidate or committee
3 shall report the contribution's value as 100 percent of the cost incurred by the initial
4 recipient to commission the poll or survey, except that if more than one candidate or
5 committee receives the results, the candidates or committees shall report the
6 contribution's value as 100 percent of the amount allocated to the candidate or
7 committee under sub. (5).

8 (3) If the candidate or committee receives the opinion poll or voter survey
9 results 16 to 60 days following the day on which the initial recipient received the
10 results, and the candidate or committee received the results during an election
11 period, the candidate committee shall report the results as a contribution valued at
12 50 percent of the cost incurred by the initial recipient to commission the poll or
13 survey, except that if more than one candidate or committee receives the results, the
14 candidate committees or other committees shall report the contribution's value as 50
15 percent of the amount allocated to the committee under sub. (5).

16 (4) If the candidate or committee receives the opinion poll or voter survey
17 results more than 60 days after the initial recipient received the results the
18 candidate committee or other committee is not required to report the results as a
19 contribution.

20 (5) If a person contributes opinion poll or voter survey results to more than one
21 candidate or committee, the person shall apportion the value of the poll or survey to
22 each candidate or committee receiving the results by one of the following methods
23 and shall provide the apportioned values to the candidate committees or other
24 committees:

1 (a) Determine the share of the cost of the opinion poll or voter survey that is
2 allocable to each recipient based on the allocation formula used by the person that
3 conducted the poll or survey.

4 (b) Determine the share of the cost of the opinion poll or voter survey that is
5 allocable to each recipient by dividing the cost of the poll or survey equally among
6 all the candidate committees and other committees receiving the results.

7 (c) Determine the share of the cost of the opinion poll or voter survey that is
8 allocable to each recipient as follows:

9 1. Divide the number of question results received by each recipient by the total
10 number of question results received by all recipients.

11 2. Multiple the total cost of the poll or survey by the number determined under
12 subd. 1.

13 (6) If a person makes a contribution of opinion poll or voter survey results to
14 a committee after the person has apportioned the value of the results to previous
15 recipients under sub. (5), the person shall make a good faith effort to apportion the
16 value to the committee, considering the value apportioned to other recipients under
17 sub. (5), and shall report that value to the committee. For purposes of this
18 paragraph, ^{subsection} the total value of the contributor's aggregate contributions may exceed
19 the original cost of the poll or survey.

20 (7) A person who contributes opinion poll or voter survey results shall maintain
21 records sufficient to support the contribution's value and shall provide the
22 contribution's value to the recipient.

23 **11.0909 Corporations, cooperatives, and tribes.** No foreign or domestic
24 corporation, or association organized under ch. 185 or 193, and no federally
25 recognized American Indian Tribe in this state may make a contribution to a

other than a referendum committee, and

11.09095 Sole proprietors, partnerships, and limited liability

(2) A contribution made to a candidate committee by a partnership is considered a contribution made by each of the contributing partners and subject to the individual limits under s. 11.0901 (1). A partnership that makes a contribution to a candidate committee shall provide to the committee the names of the contributing partners and the amount of the individual contribution made by each partner. For purposes of determining the individual contribution amounts made by each partner, the partnership shall attribute the individual contributions according to each partner's share of the partnership's profits, unless the partners agree to apportion the contribution in a different manner.

(2) LIMITED LIABILITY COMPANIES. (a) A contribution made to a candidate committee by a limited liability company treated as a partnership by the federal internal revenue service pursuant to 26 CFR 301.7701-3 is considered a contribution made by each of the contributing members and subject to the individual limits under s. 11.0901 (1). A limited liability company that makes a contribution under this paragraph shall affirm to the candidate committee that it is treated as a partnership for federal tax purposes and eligible to make the contribution. The company shall provide to the committee the names of the contributing members and the amount of the individual contribution made by each member. For purposes of determining the individual contribution amounts made by each member, the company shall attribute

1 the individual contributions according to each member's share of the company's
2 profits, unless the members agree to apportion the contribution in a different
3 manner.

4 (b) A contribution made to a candidate committee by a single-member limited
5 liability company in which the sole member is an individual is considered a
6 contribution made by that individual and subject to the individual limits under s.
7 11.0901 (1). A limited liability company that makes a contribution under this
8 paragraph shall affirm to the candidate committee that it is a single-member limited
9 liability company in which the sole member is an individual and eligible to make the
10 contribution.

11 **11.0910 Two candidate committees.** (1) If a candidate establishes a 2nd
12 candidate committee under s. 11.0202 (2) to pursue a state or local office for which
13 the contribution limit under this subchapter is higher than the contribution limit for
14 the office that the candidate originally sought, the 2nd candidate committee may
15 accept contributions up to the higher limit, but shall ^{take into account} include the amount of ^{any} the
16 contributions transferred from the first candidate committee to the 2nd candidate
17 committee ^{to determine whether the 2nd candidate committee has reached or exceeded the higher limit}

18 (2) If a candidate establishes a 2nd candidate committee under s. 11.0202 (2)
19 to pursue a state or local office for which the contribution limit under this subchapter

7 **11.1001 False reports and statements.** No person may prepare or submit
 8 a false report or statement to a filing officer under this chapter.

9 **11.1002 Earmarking.** (1) The treasurer of a candidate committee may agree
 10 with a prospective contributor that a contribution is received to be used for a specific
 11 purpose not prohibited by law. That purpose may not include a disbursement to
 12 support or oppose another candidate or the transfer to a conduit or committee acting

13 to support or oppose another candidate.

14 (2) When a contribution is made to a political party or to a committee other than
 15 a candidate committee, the contributor may not specify a purpose.

direct the committee to make a disbursement to a committee to support or oppose another candidate

16 (3) Except for transfers of membership-related moneys between committees
 17 of the same political party, no committee may transfer to another committee the
 18 earmarked contributions of others. Transfers of membership-related moneys
 19 between political parties shall be treated in the same manner as other transfers.

***NOTE: This language comes from 11.16 (4), but we removed language regarding support committees and substituted the current terminology (for example, "candidate committee" rather than "candidate or a candidate's campaign committee").

***NOTE: Under current law, the first sentence of sub. (3) reads: "...no committee may act as a conduit for the earmarked contributions of others." I modified the language to eliminate the use of the defined term, conduit. Please review the modified language to ensure that you are comfortable with the change.

20 **11.1003 Coordination.** No person may make an disbursement for express
 21 advocacy that is coordinated with a candidate, candidate committee, candidate's

g/a

1 agent, legislative campaign committee, or political party. For purposes of this
2 section, ^aan disbursement for express advocacy is coordinated with a candidate,
3 candidate committee, candidate's agent, legislative campaign committee, or political
4 party if the candidate, candidate committee, candidate's agent, legislative campaign
5 committee, or political party exercises control over; or engages in substantial
6 discussions or negotiations with the person making the disbursement regarding; any
7 of the following:

8 (1) The communication's content.

9 (2) The communication's timing.

10 (3) The location, form, or intended audience of the communication.

11 (4) The number or frequency of communications.

****NOTE: This provision is based on the standards for coordination enumerated
in *FEC v. Christian Coalition*, 52 F. Supp. 2d. 45 (D.D.C. 1999).

****NOTE: Do you want to permit candidate committees to coordinate with any
other committees?

12 **11.1004 Unlawful political contributions.** (1) Subject to sub. (2), no person
13 may, directly or indirectly, make any contribution other than from funds or property
14 belonging to the person. No person may, directly or indirectly, give funds or property
15 to another person for the purpose of making a contribution in other than the person's
16 own name. No person may intentionally accept or receive any contribution made in
17 violation of this subsection.

****NOTE: I substituted the word "give" for "furnish." Okay?

18 (2) A conduit releasing a contribution of money in the manner prescribed in s.
19 ^{11.0604}11.9004 (2) does not violate sub. (1).

20 (3) No person may intentionally accept or receive any contribution made in
21 violation of this chapter.

1 **11.1005 Use of government materials by candidates.** (1) (a) Except as
2 provided in sub. (2), no person elected to state or local office who becomes a candidate
3 for national, state, or local office may use public funds for the cost of materials or
4 distribution for 50 or more pieces of substantially identical material distributed
5 after:

7 day authorized by law for circulation of nomination papers as a candidate.

12 caucus.

13 4. In the case of any other candidate who is nominated solely by filing a
14 declaration of candidacy, the first day of the month preceding the month which
15 includes the last day for filing the declaration.

16 (b) This subsection applies until after the date of the election or after the date
17 of the primary election if the person appears as a candidate on a primary election
18 ballot and is not nominated at the primary election.

19 (2) This section does not apply to use of public funds for the costs of the
20 following:

3 (d) Communications not exceeding 500 pieces by members of the legislature
4 relating solely to the subject matter of a special session or extraordinary session,
5 made during the period between the date that the session is called or scheduled and

7 **11.1006 Travel by public officers.** (1) No person may use any vehicle or
8 aircraft owned by the state or by any local governmental unit for any trip which is
9 exclusively for the purposes of campaigning to support or oppose any candidate for
10 national, state, or local office, unless use of the vehicle or aircraft is required for
11 purposes of security protection provided by the state or local governmental unit.

12 (2) No person may use any vehicle or aircraft owned by the state or by any local
13 governmental unit for purposes that include campaigning to support or oppose any
14 candidate for national, state, or local office, unless the person pays to the state or
15 local governmental unit a fee which is comparable to the commercial market rate for
16 the use of a similar vehicle or aircraft and for any services provided by the state or
17 local governmental unit to operate the vehicle or aircraft. If a trip is made in part
18 for a public purpose and in part for the purpose of campaigning, the person shall pay
19 for the portion of the trip attributable to campaigning, but in no case less than 50
20 percent of the cost of the trip. The portion of the trip attributable to campaigning
21 shall be determined by dividing the number of appearances made for campaign
22 purposes by the total number of appearances. Fees payable to the state shall be
23 prescribed by the secretary of administration and shall be deposited in the account
24 under s. 20.855 (6) (h). Fees payable to a local governmental unit shall be prescribed
25 by the governing body of the governmental unit.

1 **11.1007 Political solicitation involving public officials and employees**

2 **restricted. (1)** In this section:

3 (a) “Contribution” includes a contribution made for a political purpose.

4 (b) “Political purpose” means for the purpose of influencing the election or
5 nomination for election of an individual to state, local, or national office; for the
6 purpose of influencing the recall from or retention in office of an individual holding
7 a state, local, or national office; for the purpose of payment of a recount at an election,
8 or for the purpose of influencing a particular vote at a referendum.

 ****NOTE: I modified the definition of political purpose (which otherwise does not
appear in this draft) and contribution for this section. See current law ss. 11.01 (16)
(intro.) and 11.36 (5). We are using this defined term (“political purpose”) as a placeholder
while we come up with a perhaps better term. Are you comfortable with the concept of
“political purpose” (that is, the substance of the definition) as it is used in this section and
s. 11.1008?

9 **(2)** (a) Except as provided in par. (b) and (c), no person may solicit or receive
10 from any state officer or employee or from any officer or employee of the University
11 of Wisconsin Hospitals and Clinics Authority any contribution or service for any
12 political purpose while the officer or employee is engaged in his or her official duties.

 ****NOTE: This is (modified) current law s. 11.36 (1). You asked whether this should
be moved to chapter 13. I don’t believe moving this section is necessary. You also asked
that we amend this section to open a contribution / solicitation window for everyone and
not just candidates who are up for election in a year. I’m not clear about this instruction.

13 (b) Paragraph (a) does not apply to a contribution or service solicited or received
14 from a state officer or employee or an officer or employee of the University of
15 Wisconsin Hospitals and Clinics Authority who is on an unpaid leave of absence at
16 the time of the solicitation or receipt.

 ****NOTE: Does this accomplish your intent?

17 (c) An elected state official may solicit and receive services not constituting a
18 contribution from a state officer or employee or an officer or employee of the
19 University of Wisconsin Hospitals and Clinics Authority with respect to a

1 referendum only. Agreement to perform services authorized under this subsection
2 may not be a condition of employment for any such officer or employee.

3 (3) No person may solicit or receive from any officer or employee of a political
4 subdivision of this state any contribution or service for any political purpose during
5 established hours of employment or while the officer or employee is engaged in his
6 or her official duties.

7 (4) Every person who has charge or control in a building, office[↑] or room occupied
8 for any purpose by this state, by any political subdivision thereof, or by the
9 University of Wisconsin Hospitals and Clinics Authority shall prohibit the entry of
10 any person into that building, office, or room for the purpose of making or receiving
11 a contribution.

12 (5) No person may enter or remain in any building, office, or room occupied for
13 any purpose by the state, by any political subdivision thereof or by the University of
14 Wisconsin Hospitals and Clinics Authority or send or direct a letter or other notice
15 thereto for the purpose of requesting or collecting a contribution.

16 (6) This section does not apply to a response by a legal custodian or subordinate
17 of the custodian to a request to locate, reproduce, or inspect a record under s. 19.35
18 if the request is processed in the same manner as the custodian or subordinate
19 responds to other requests to locate, reproduce, or inspect a record under s. 19.35.

20 **11.1008 Unlawful political disbursements and obligations.** (1) In this
21 section, political purpose has the meaning given in s. 11.1007 (1) (b).

22 (2) No person may intentionally receive or accept anything of value, or any
23 promise or pledge thereof, constituting a disbursement made or obligation incurred
24 for political purposes contrary to law.

1 **(3)** (a) Except as provided in pars. (b) and (c), no committee may make or
2 authorize a disbursement or the incurrence of an obligation from moneys solicited
3 for a political purpose for a purpose which is other than a political purpose.

4 (b) A committee may accept contributions and make disbursements from a
5 campaign depository account for any of the following:

6 1. For the purpose of making disbursements in connection with a campaign for
7 national office.

8 2. For payment of civil penalties incurred by the committee under this chapter
9 but not under any other chapter.

10 3. For the purpose of making a donation to a charitable organization or the
11 common school fund.

12 4. For payment of the expenses of nonpartisan campaigns to increase voter
13 registration or participation.

14 (c) A candidate committee may accept contributions and make disbursements
15 from a campaign depository account for payment of inaugural expenses of an
16 individual who is elected to state or local office. Inaugural expenses paid from
17 contributions made to the campaign depository account are reportable under s.

18 11.2003(1) as disbursements and are subject to the limits under s. 11.9000

19 (4) No moneys solicited for political purposes and reported under this chapter
20 may be invested for the purpose of producing income unless the investment is in
21 direct obligations of the United States and of agencies and corporations wholly
22 owned by the United States, commercial paper maturing within one year from the
23 date of investment, preferred shares of a corporation, or securities of an investment
24 company registered under the federal investment company act of 1940 (15 USC 80a)

1 and registered for public offer and sale in this state of the type commonly referred
2 to as a “money market fund”.

3 **11.1009 Solicitation of contributions from candidates restricted. (1)**

4 Subject to sub. (2), no person may demand, solicit, take, invite, or receive from a
5 candidate any gift of anything of value for a religious, charitable, or fraternal cause
6 or for any organization other than a committee. No candidate may make, intimate,
7 or promise such a gift.

8 (2) This section does not apply to the payment of a regular subscription or
9 contribution by an individual to an organization of which the individual is a member
10 or to which the individual may have been a regular contributor prior to the
11 individual’s candidacy or to an offering at a regular church service.

****NOTE: I changed the phrase “ordinary contributions” to offerings in sub. (2)
(compare current law s. 11.34 (2)). Okay?

11 (b) This section does not apply to any of the following:

****NOTE: This is derived from current law s. 11.64.

****NOTE: Do you intend that a defense fund may be authorized for *any* public official (as under current law) or only for *elected* public officials? 23 whether by accepting a contribution or making a disbursement, shall identify its
24 source by the words "Paid for by" followed by the name of the candidate or other

1 individual making the payment or reimbursement or assuming responsibility for the
2 communication.

3 (d) In addition to the requirements of pars. (a) to (c), a person required to submit
4 an affirmation under oath, as provided under s. ^{11.0505}11.5004(1) (b) 6. or s. ^{11.1101}11.1100(1)
5 (b) 6. shall also include the words “Not authorized by any candidate or candidate’s
6 agent or committee” in every communication supporting or opposing any clearly
7 identified candidate.

8 (e) Communications under this section by a candidate committee may identify
9 the name of the candidate committee, except as provided in par. (b) 2. and except that
10 no abbreviation may be used to identify the committee.

11 (em) Each printed advertisement, billboard, handbill, paid television or radio
12 advertisement, or other communication made for the purpose of influencing the
13 recall from or retention in office of an individual holding a state or local office shall
14 clearly identify its source in the manner prescribed in pars. (b) and (c).

15 (f) This subsection does not apply to communications printed on small items
16 on which the information required by this subsection cannot be conveniently printed.

17 The board may, by rule, specify other small items to which this subsection shall not
18 apply.

19 (g) The attributions required by this subsection in written communications
20 shall be readable, legible, and readily accessible.

21 (2) Whenever any person receives payment from another person, in cash or
22 in-kind, for the direct or indirect cost of conducting a poll concerning support or
23 opposition to a candidate, political party, or referendum, the person conducting the
24 poll shall, upon request of any person who is polled, disclose the name and address

Amendment 26-14

1 of the person making payment for the poll and, in the case of a committee, the name
2 of the treasurer of the committee making payment.

3 **11.1105** **Continuing compliance.** An individual does not cease to be a
4 candidate for purposes of compliance with this chapter or ch. 12 after the date of an
5 election and no candidate or candidate committee is released from any requirement
6 or liability otherwise imposed under this chapter or ch. 12 simply because the
7 election date has passed.

***NOTE: This is the substantive provision taken from the definition of "candidate" under current law.

8 **11.1106** **Duties of the government accountability board.** The board shall:

9 (1) Prescribe forms for making the reports, statements, and notices required
10 by this chapter. The board shall make the forms available free of charge on the
11 board's Internet site and shall distribute or arrange for the distribution of all forms
12 for use by other filing officers.

13 (2) Upon request, transmit a form described under sub. (1), free of charge, by
14 facsimile or by 1st class mail.

15 (3) (a) Prepare and publish for the use of persons required to file reports and
16 statements under this chapter a manual setting forth simply and concisely
17 recommended uniform methods of bookkeeping and reporting.

18 (b) Prepare, publish, and revise as necessary a manual simply and concisely
19 describing the filing and registration requirements established in this chapter in
20 detail, as well as other major provisions of this chapter and ch. 12.

21 (4) Develop a filing, coding, and cross-indexing system consonant with the
22 purposes of this chapter.

1 (5) Assign an identification number to each committee for whom the board acts
2 as a filing officer under s. ~~11.1001~~^{11.0102}(1) and to each conduit.

3 (6) (a) Except as provided in par. (b), require each committee for whom the
4 board serves as filing officer under s. ~~11.1001~~^{11.0102}(1) to file each campaign finance report
5 that is required to be filed under this chapter in an electronic format. The board shall
6 permit an authorized individual to provide at the time of filing an electronic
7 signature, as defined in s. 137.11 (8), that is subject to a security procedure, as
8 defined in s. 137.11 (13). A committee that files a report under this subsection in an
9 electronic format may file with the board that portion of the report signed by an
10 authorized individual rather than submit the electronic signature of that individual.
11 The board shall provide complete instructions to any committee that files a report
12 under this subsection.

13 (b) Permit a committee that accepts contributions in a total amount or value
14 of \$1,000 or less during a campaign period to opt out of the requirement to file a
15 campaign finance report in an electronic format as specified in par. (a). In this
16 paragraph, the “campaign period” of a candidate committee begins and ends with the
17 “campaign” of the candidate whose candidacy is supported, as defined in [current law
18 s. 11.26 (17)], and the “campaign period” of any other committee begins on January
19 1 of each odd-numbered year and ends on December 31 of the following year.

****NOTE: Current law s. 11.21 (16) cross references s. 11.26 (17); this subsection governs when a campaign starts and ends. I don't believe this draft includes a comparable provision. Do you want to include something similar to s. 11.26 (17) in this draft? If not, how should I modify the first clause of the last sentence of this paragraph?

20 (7) Compile and maintain on an electronic system a current list of all reports
21 and statements received by or required of and pertaining to each committee
22 registered under this chapter.

****NOTE: I eliminated the phrase "or parts thereof" following "reports and statements," and added "received by or required of." Okay?

1 (8) Maintain a duplicate record of any statement received by a political action
2 committee under s. 11.5004^{11.0505} or by a person under s. 11.1100^{11.1101} together with the record
3 of each candidate to whom it relates.

4 (9) Determine whether each report or statement required to be filed under this
5 chapter has been filed in the form and by the time prescribed by law, and whether
6 it conforms on its face to the requirements of this chapter.

7 (10) Immediately send to any committee or conduit which is delinquent in
8 filing, or which has filed otherwise than in the proper form, a notice that the
9 committee or conduit has failed to comply with this chapter. Whenever a candidate
10 committee has appointed an individual other than the candidate as campaign
11 treasurer, the board shall send the notice to both the candidate and the treasurer of
12 the candidate committee.

13 (11) Receive and maintain in an orderly manner all reports and statements
14 required to be filed with the state under the federal election campaign act. The board
15 shall:

16 (a) Preserve such reports and statements for a period of 6 years from date of
17 receipt.

18 (b) Compile and maintain a current list of all reports and statements pertaining
19 to each candidate who is required to file a report or statement under the federal
20 election campaign act.

****NOTE: I eliminated the phrase "or parts thereof" following "reports and statements." Can you foresee any reason why these words would be necessary?

21 (c) Promptly compile and release for public inspection a list of all reports
22 received from candidates for national office and from committees supporting or

1 opposing such candidates which are required to be filed with the state under the
2 federal election campaign act, as soon as possible after each deadline for receipt of
3 such reports as provided by federal law.

4 **(12)** Make the reports and statements filed under this chapter, including those
5 reports and statements filed under sub. (11), available on the board's Internet site
6 for public inspection and copying, commencing as soon as practicable but not later
7 than the end of the 2nd day following the day during which they are received.

8 **(13)** Upon the request of any person, permit copying of any report or statement
9 described under sub. (12) by hand or by duplicating machine at cost. No person may
10 sell the information copied from the report or statement or utilize the information
11 for the purpose of soliciting contributions from individuals identified in the report
12 or statement or for any commercial purpose.

13 **(14)** Include in its biennial report under s. 15.04 (1) (d) compilations of any of
14 the following in its discretion:

15 (a) Total reported contributions, disbursements, and incurred obligations for
16 all committees registered and reporting under this chapter during the biennium.

17 (b) Total amounts contributed during the biennium, reported by contribution
18 amounts as determined by the board, to each type of committee registered and
19 reporting under this chapter.

20 (c) Total amounts expended during the biennium, reported by disbursement
21 amounts as determined by the board, by each type of committee registered and
22 reporting under this chapter.

23 (d) Total amounts expended for influencing nominations and elections
24 whenever separate information is reported.

1 (e) Aggregate amounts contributed by any contributors shown to have
2 contributed more than \$100.

3 (15) Prepare and publish from time to time special reports comparing the
4 various totals and categories of contributions and disbursements made with respect
5 to preceding elections.

6 (16) Make available a list of delinquents for public inspection.

7 (17) Promulgate rules that require public access channel operators and
8 licensees of public television stations in this state to provide a minimum amount of
9 free time on public access channels and public television stations to individuals
10 whose names are certified under s. 7.08 (2) (a) or 8.50 (1) (d) to appear as candidates
11 for state office on the ballot at general, spring, or special elections. The rules
12 promulgated under this subsection shall require public access channel operators and
13 licensees of public television stations to offer the same amount of time to each
14 candidate for a particular state office, but may require different amounts of time to
15 be offered to candidates for different offices.

16 SUBCHAPTER XII

17 PENALTIES

18 **11.1200 Civil penalties.** (1) Any person who violates this chapter may be
19 required to forfeit not more than \$500 for each violation.

20 (2) In addition to the penalty under sub. (1), any person who is delinquent in
21 filing a report required by this chapter may be required to forfeit not more than \$50
22 or one percent of the annual salary of the office for which the candidate is being
23 supported or opposed, whichever is greater, for each day of delinquency.

1 (3) Notwithstanding sub. (1), any person who makes any contribution in
2 violation of this chapter may be required to forfeit treble the amount of the
3 contribution or portion of that contribution which is illegally contributed.

4 (4) Notwithstanding sub. (1), any person who violates s. 11.0102 (3) or 11.1008
5 shall forfeit \$10 for each person who is solicited, but not more than \$1,000 for each
6 report from which persons are solicited, in violation of s. 11.0102 (3) or 11.1008.

7 (5) Notwithstanding sub. (1), any person who is subject to a requirement to pay
8 a filing fee under s. 11.0102 and who fails to pay that fee within the time prescribed
9 in that section shall forfeit \$500 plus treble the amount of the fee payable by that
10 person.

11 (6) Except as otherwise provided in ss. 5.05 (2m) (c) 15. and 16. and (h), 5.08,
12 and 5.081, actions under this section may be brought by the board or, upon the board's
13 determination of probable cause, by the district attorney for the county where the
14 defendant resides or, if the defendant is a nonresident, by the district attorney for the
15 county where the violation is alleged to have occurred. For purposes of this
16 subsection, a person other than an individual resides within a county if the person's
17 principal place of operation is located within that county.

18 (7) Any elector may file a verified petition with the board requesting that civil
19 action under this chapter be brought against any person or committee. The petition
20 shall allege such facts as are within the knowledge of the petitioner to show probable
21 cause that a violation of this chapter has occurred.

22 (8) When a candidate committee treasurer or candidate's agent incurs an
23 obligation or makes a disbursement, that action by the treasurer or agent is imputed
24 to the candidate for purposes of civil liability under this subchapter.

****NOTE: This is the only place in the draft where the term "obligation" is used.

1 (9) In civil actions under this chapter the acts of every member of a candidate
2 committee are presumed to be with the candidate's knowledge or approval until
3 clearly proven otherwise.

4 **11.12001** ^{e 11.1201} **Criminal penalties; prosecution.** (1) (a) Whoever intentionally
5 violates s. 11.1004 or any registration or reporting requirement under this chapter
6 is guilty of a Class I felony.

7 (b) Whoever intentionally violates subch. IX or s. 11.1001, 11.1008, or 11.1104
8 is guilty of a Class I felony if the intentional violation does not involve a specific figure
9 or if the intentional violation concerns a figure which exceeds \$100 in amount or
10 value.

11 (c) Whoever intentionally violates any of the following may be fined not more
12 than \$1,000 or imprisoned not more than 6 months or both:

13 1. Any provision of this chapter other than those provided in par. (a).

14 2. Any provision under par. (b) if the violation concerns a specific amount or
15 value not exceeding \$100.

16 (2) Except as otherwise provided in ss. 5.05 (2m) (c) 15. and 16. and (i), 5.08,
17 and 5.081, and only after the board has determined probable cause, all prosecutions
18 under this section shall be conducted by the district attorney for the county where
19 the defendant resides or, if the defendant is a nonresident, by the district attorney
20 for the county where the violation is alleged to have occurred. For purposes of this
21 subsection, a person other than a individual resides within a county if the person's
22 principal place of operation is located within that county.

23 (3) (a) If a successful candidate for public office, other than a candidate for the
24 legislature, is adjudged guilty in a criminal action of any violation of this chapter
25 under sub. (1) (a) or (b), or of any violation of ch. 12 under s. 12.60 (1) (a) committed

1 during his or her candidacy, the court shall after entering judgment enter a
2 supplemental judgment declaring a forfeiture of the candidate's right to office. The
3 supplemental judgment shall be transmitted to the officer or agency authorized to
4 issue the certificate of nomination or election to the office for which the person
5 convicted is a candidate. If the candidate's term has not yet begun, the candidate
6 shall not take office. If the candidate's term has begun, the office shall become
7 vacant. The office shall then be filled in the manner provided by law.

8 (b) If a successful candidate for the legislature is adjudged guilty in a criminal
9 action of any violation of this chapter under sub. (1) (a) or (b), or of any violation of
10 ch. 12 under s. 12.60 (1) (a) committed during his or her candidacy, the court shall
11 after entering judgment certify its findings to the presiding officer of the house of the
12 legislature to which the candidate was elected.
